Pausing to Reflect Upon the Past Year

Pictured on these pages are some of the typical school scenes which could have been observed during the year. On a warm spring day students might have been seen talking leisurely with one another outside of school. Passing the bulletin board or trophy cases would have invariably found someone checking the date for the next dance or examining the latest award won by one of our teams. The shouts and

sounds on the second floor could usually be traced to the newly redecorated girls' gym. If anyone was around late in the afternoon, they might have seen an athlete leaving for home after a tough workout or a good game. These were but a few of the many school scenes one would have seen if he had paused to notice them.

The Seasons

The seniors will always remember their high school years and the life that was a part of those years. In some ways, those years can be compared with the seasons.

Fall is the season when nature begins to prepare for its repose from the world.

Beginning high school we were afraid and unsure of ourselves. We did not know what to expect. At that time we believed we were entering a world of hardships. We were neither smart nor clever. We were devoid of common sense. Our behavior was immature. However, we met the challenge of high school and entered the first of our four years of learning.

Winter is the season in which life lies dormant.

The new main entrance on Austin Boulevard is a fine example of the remodeling that the building has undergone during the previous summer months.

Some of us looked back upon our years in high school with dissatisfaction and boredom. However, the greater percentage of students seeing that the type of education they received in high school was a must in their future lives emerged from their immaturity and made the most of those four years.

Spring is the season when nature emerges from inactivity into vitality and richness.

Finally we reached the height of our high school education, graduation. Not only have we achieved a higher scholastic rating, but we have also learned some of the basic rules of life. Thus, those four years in high school are the bases for our future success in the world.

Since the seasonal mood has been established, it is only fitting to review the school year 1962-1963 through its changing seasons.

the Seasons

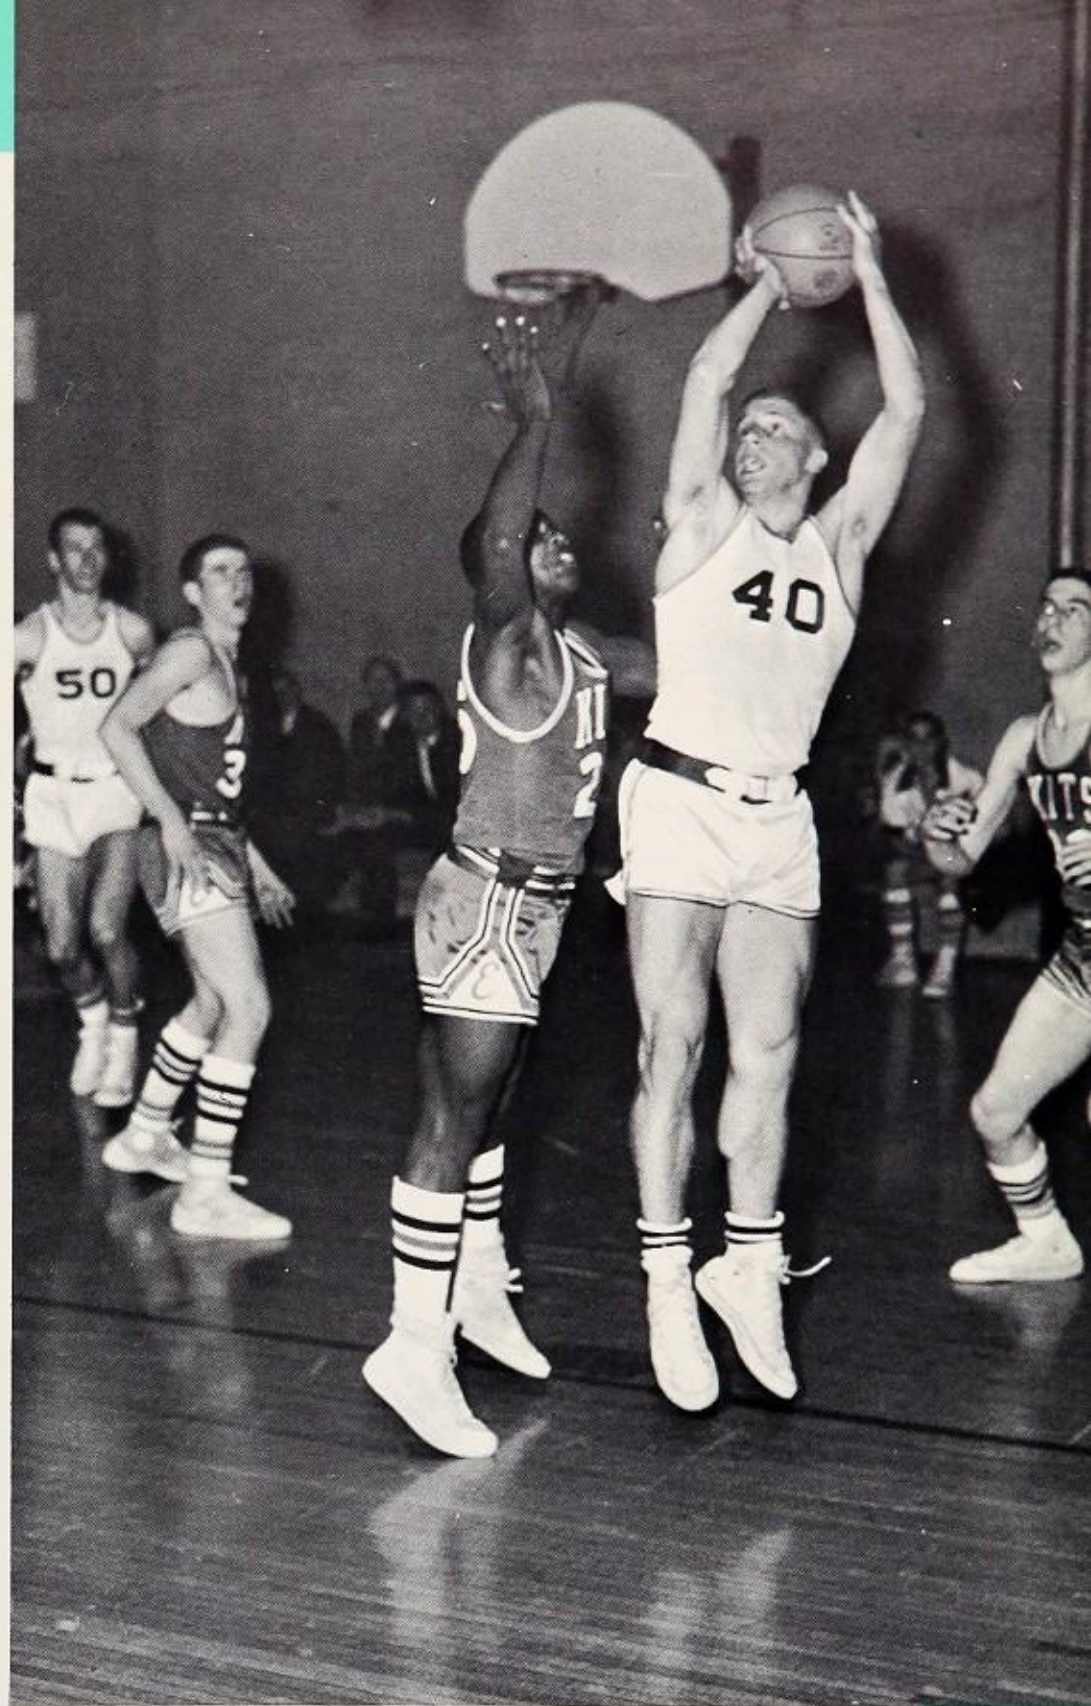

Sports have always played a large part in our school life. Although the sports changed with the seasons, that feeling of proudness for our teams remained the same.

Spring was fairly pleasant on the diamond for our 1962 nines. They were good teams, but they just didn't get the breaks at the right times.

Fall saw the excitement and attention of the student body focus on the football squads who played hard but were hindered by injuries.

Winter brought the spotlight down on the basketball courts and our fine boys who played on them.

However, the various team and individual athletic endeavors would have been to no avail if it had not been for the school spirit generated by our wonderful cheerleaders.

The plot of the musical comedy, **Bye Bye Birdie**, revolved around Conrad Birdie, the teenage idol of every girl. There were many sub-plots entwined within the main story. Rose was in love with Albert. Albert was faithful to Mama. As a publicity stunt, Conrad was to kiss a teenage worshipper of his, Kim MacAfee, goodbye just before leaving for the Army. Hugo, Kim's steady, was jealous of Conrad Birdie. However, in the end they all "lived happily forever after." Albert Peterson broke away from Mama and married Rose Alvarez. Hugo Peabody and Kim were reunited. As for Conrad Birdie, he took off his Golden Suit and donned khakis.

Benefits of Summer School

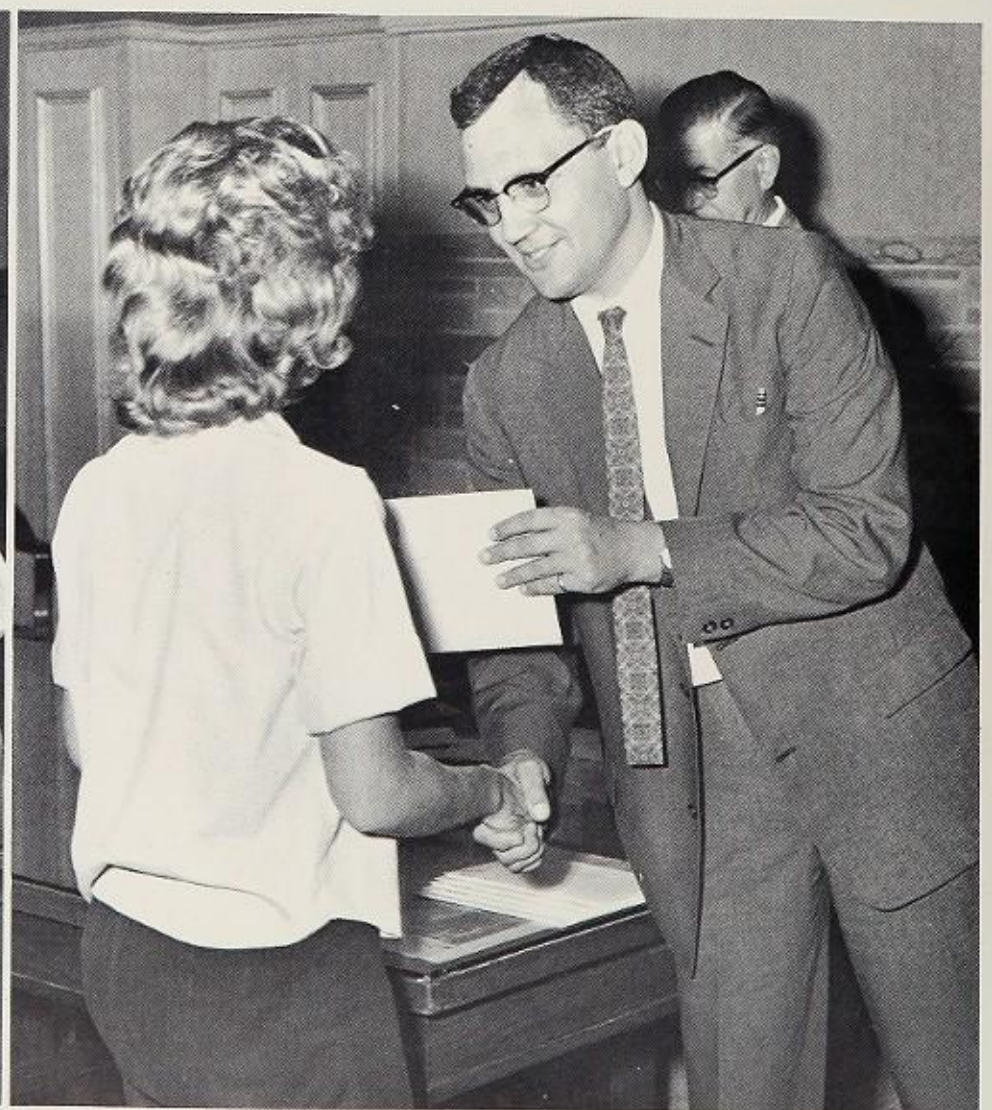

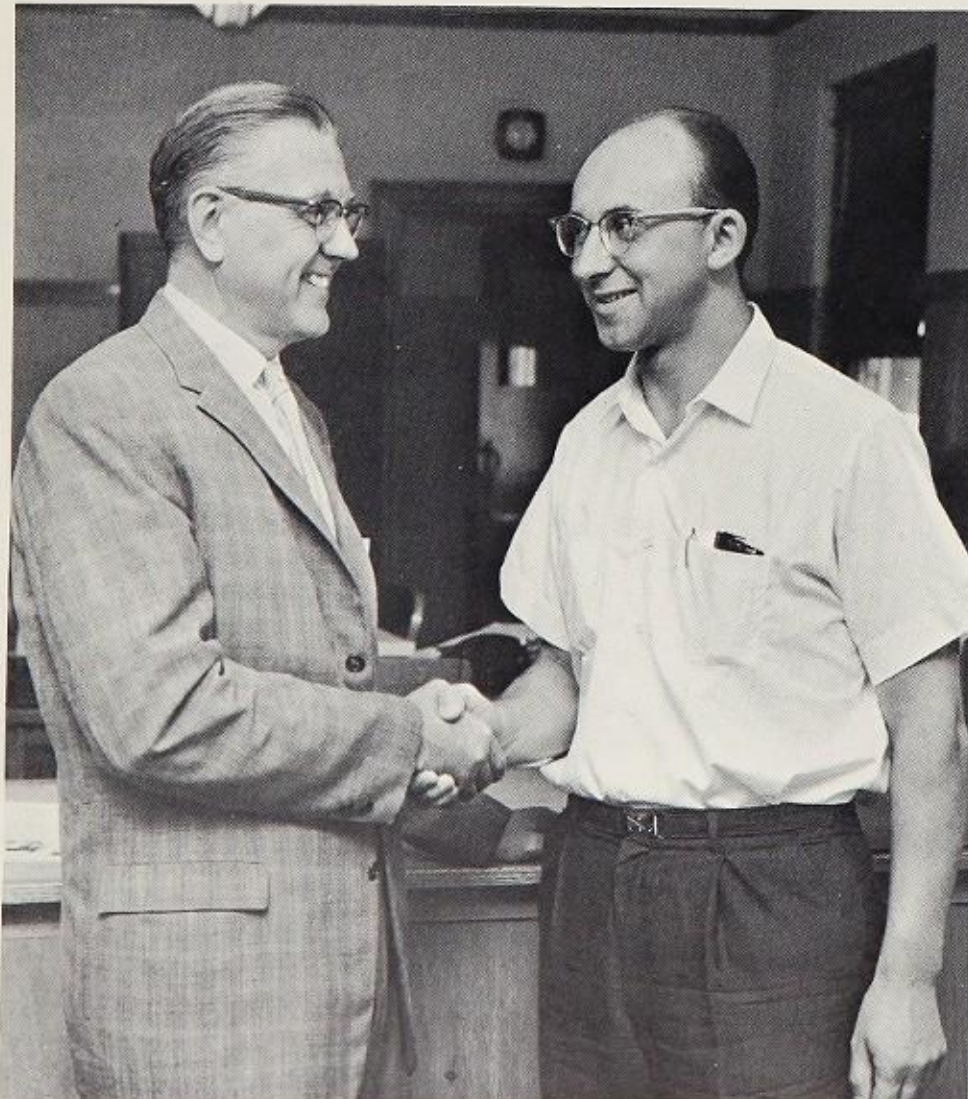

From left to right, Mr. P. R. Kasik, Dave Cooper, and Mr. T. P. Kazakos go over the summer school paper, *The Summer Student*.

Miss Jane Bostram, a student, takes over a Junior College class in American literature.

Mr. P. R. Kasik welcomes back Mr. Jaromir Zastera who while studying in Prague was imprisoned by the Communists of Czechoslovakia for having an alleged piece of uranium ore in his apartment. Mr. Zastera studied at our Junior College last summer.

Dr. R. C. Turnbaugh distributes a diploma to a senior who has completed her high school education in summer school. Summer school has enabled many seniors to finish their secondary schooling.

Late Learning

Adult education is found at evening school. Evening school provides the adults with a place to learn that something extra needed for obtaining a job, to relearn that forgotten typing, or to brush up for that special interview. Evening school brings the adult public knowledge which will aid them in the future.

Typical of the adult earnestness to learn is a personal typing class under the direction of Mr. T. J. Boduch.

Through evening school an adult is given a "second chance" to complete his high school education or to merely further his familiarity of a specific subject. However, whatever the reason, adult education in evening school is a tremendous asset to the individual and makes for a better community.

Also offered in the curriculum of evening school are several industrial arts classes

Mr. E. Doubek and his students are found examining a newly acquired piece of apparatus in an electronics class which is a part of the five year program in electronics technology.

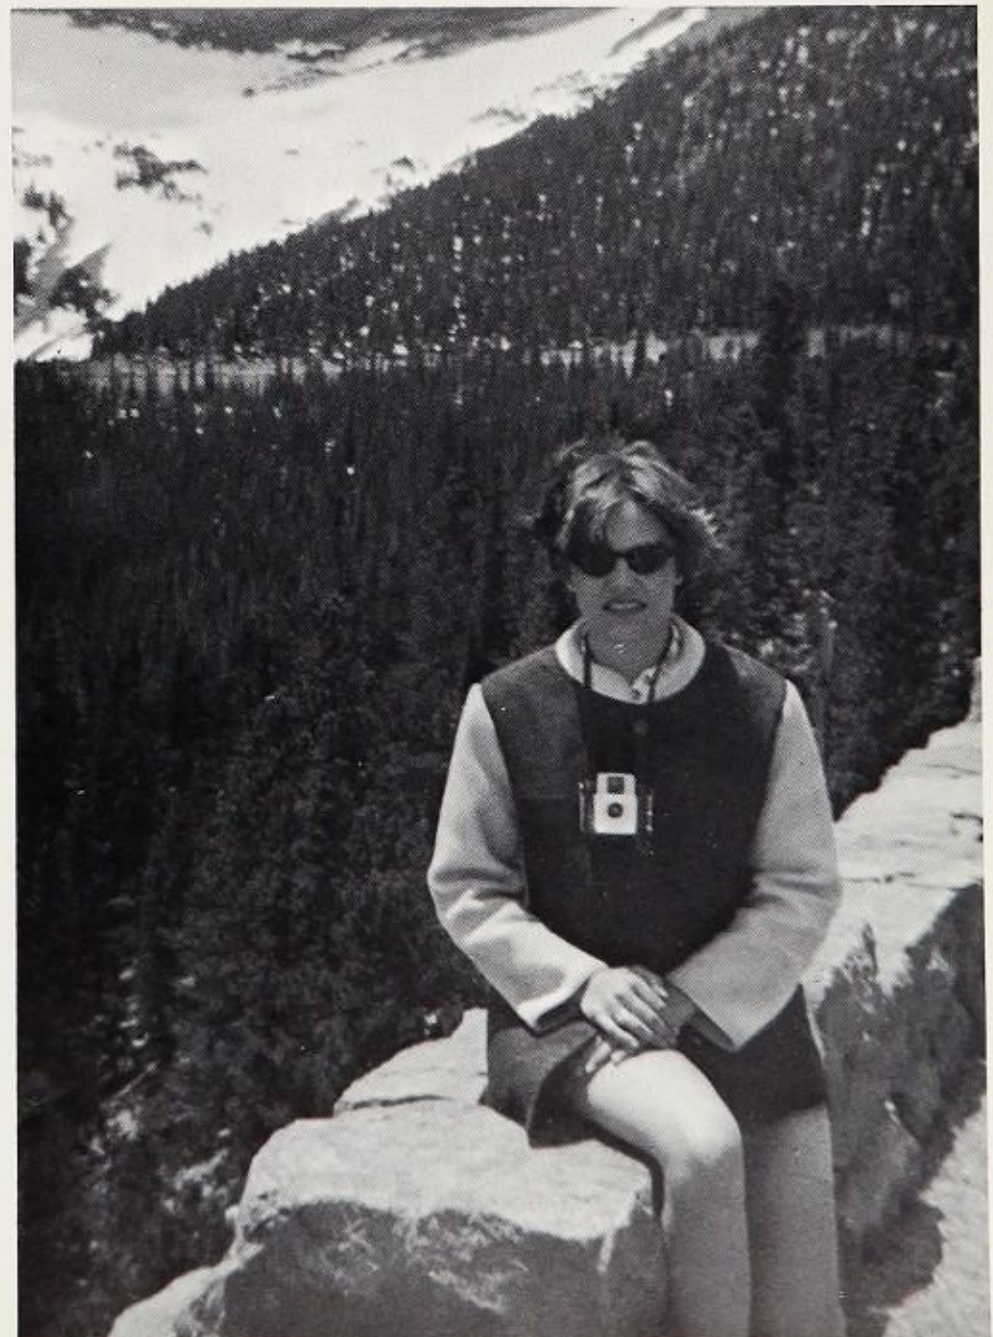

Summer Activities of Various Clubs

Patsy Arentz took this snapshot of Diane Rezek preparing for her cabin skit at the annual Morton Summer Music Camp.

Dottie Heines, Joyce Costelli, Paula Baker, Debbie Krych, and Penny Halac were among some of the girls who went to the Illinois Sand Dunes during the summer with their Modern Dance Club.

Carol Krejci took this picture of Betty Brozas. It is typical of the magnificent mountain ranges and dense forests which the Travel Club viewed during its trip to Colorado.

Daily Scenes Not to Be Forgotten

The school day began at 8:30 a.m. However, much earlier than that you could have seen someone purchasing supplies from Mr. Lokay at his school supply store. If you were fortunate enough to get a study hall in a library, you could have written that theme. Then the bell would ring and you would struggle through a crowded hall. At last, you weren't sure you could hold out, but finally it was time for lunch. After you had eaten and heard the latest gossip, it was back to class. At 3:10 p.m. the school day ended for the majority of the students. However, some boys boarded a bus taking them to a practice which might not end until 6:00 p.m.

Academically

The Junior College has set up a special program for high school seniors who have been honor science students and wish to do college work and receive actual credit for it. Keith Troemner and Jim Videbeck were being supervised by their chemistry instructor, Mr. Z. Kopecky, in the new Junior College laboratory.

From top to bottom, Patricia Jack, Bill Lange, and Linda Jendras were hard at work modeling their clay to form in Mr. J. L. Cook's third hour pottery class.

In Mr. J. S. Everett's sociology class, the students and a visitor, Mrs. Sylvia Cervenka, discussed the drawing held by Amy Dres which describes the ancient Persian religion, Zoroastrianism.

Spring

Connie Techman, Jeff Barloga, Barbara Simlek, and Russ Jansky seemed content with the world at last year's prom, C'est Magnifique.

The Prom and Graduation

The prom, *C'est Magnifique*, was the most wondrous moment in a boy or girl's social life. From the time of making the date to the eventful night, there was hustle and bustle and much preparation by both parties. Then the magic night arrived and the prince drove up in his coach to take his Cinderella off to the ball. All good evenings eventually come to a close. However, the prom would live forever in the memories of the boy and the girl.

Graduation was that moment of mixed emotions. The students and their parents reverently sat through baccalaureate services during the commencement. Then, diplomas were handed out and it was all over. Mothers and fathers stood proudly by to greet their daughters and sons who had taken the first step toward adulthood. And so, four years of a most enjoyable life were brought to an end on that most memorable day, graduation.

MILITAIRES . . . Militaires is the name of Morton's well known precision marching unit. Composed entirely of girls, the group was a fine representation of Morton wherever it went. The precision they achieved would not have been possible without hours of drilling and practice. Under the direction of Miss Barbara Elia, they performed in numerous parades and other

events. The Militaires also performed at every home football game with Morton's marching band. Their colorful patterns, flags, and uniforms helped make all the halftime shows spectacular and extremely popular with the fans. Their hard work and long hours of practice were well rewarded by the acclaim they received.

Facts and Figures

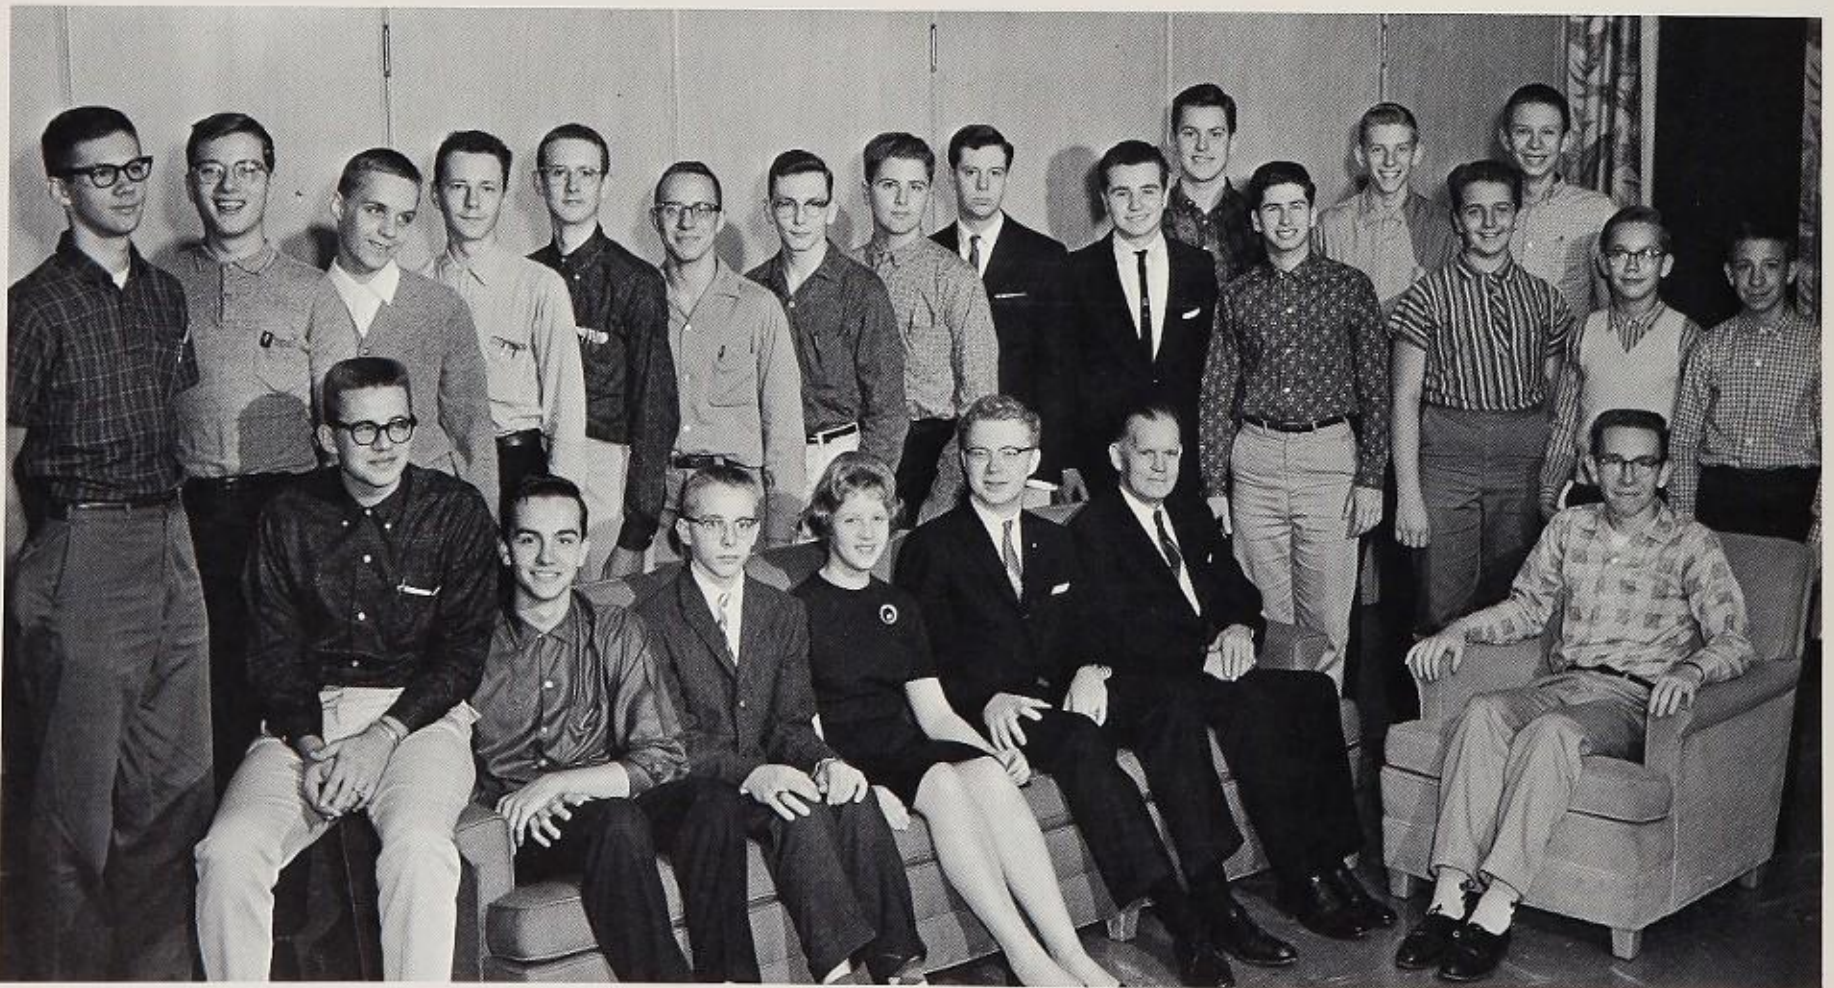

SCIENCE ... The only requirement that was necessary to become a member of Science Club was an avid interest in one of the many facets of science. The members of Science Club discussed and learned about the many advancements being made in the field of science. The members were aided in their discussions by several guest speakers, movies, and numerous scientific periodicals. Under the direction of Mr. D. H. Klein, the club helped the members better understand the complexity of the world we live in.

TOP ROW — M. Swae, L. Sebesta, Mr. A. Arbo, K. Palach, B. Novak, S. Doenges, J. Neuman, B. Owen;
BOTTOM ROW — B. Lewis, Mr. D. H. Klein, S. Pelehac

MATH ... The members of Math Club discussed subjects ranging from the theory of equations to calculus at their weekly meetings. The purpose of the club was to promote interest in mathematics and keep the members abreast of current developments in the field of mathematics. At each meeting, a member of the club explained his research in some phase of mathematics. Through these informal discussions, the club members were able to broaden their knowledge of math-

ematics. This year's Math Club once again participated in the annual Mathematics Contest which took place in the spring. This was the event that the members had looked forward to all year. Under the guidance of Mr. W. J. Cherry, the members of the club strove to improve their abilities in the field of mathematics. They also tried to improve their ability to think logically and clearly. The reasoning powers that the members of the Math Club gained will always be an asset to them.

TOP ROW — R. Vesely, E. Rauch, W. Angelus, P. Swae, P. Russ, J. Robin, P. Facuna, R. Zannini, G. Moore, J. Klecka, L. Sebesta, R. Straka, D. Reid, A. Todesco, A. Reis, C. Quandt, A. Klail; BOTTOM ROW — D. Vanderberg,

Serving the School

TICKET OFFICE ... The members of Ticket Office were in charge of selling tickets for most of the school's activities during the year. Students were chosen to become members of the Ticket Office on the basis of reliability and trustworthiness. New members were elected in the fall and participated in the parties and other activities that the Ticket Office sponsored. In order to stay on the Ticket Office staff, the members had to pass all their subjects and devote their spare time to serving the school.

TOP ROW — V. Hudec, J. Mraz, T. Hodek, K. Katilius; BOTTOM ROW — P. Meiers, Mr. F. C. Peterdil, C. Militello.

OPERATORS ... One of the most important characteristics of a good high school is a complete and well run visual aids department. Morton's Visual Aids Department has become one of the finest and most well known departments in the state. Mr. B. Mikula was in charge of our fine visual aids department this year. Under his direction, interested boys learned to operate various types of movie equipment. Their gym period was eliminated so that the boys could devote more time to the department. A captain was appointed for each period to

make sure classes received the proper films, and to keep things running as smoothly as possible. Aside from operating movie projectors, tape recorders, and record players, the operators also produced and broadcasted all of Morton's closed circuit television programs. These programs were a relatively new feature this year and were used to broadcast various speeches and lectures to many classrooms at the same time.

TOP ROW — D. Kostrzewski, M. Shaikes, L. Baker, R. Hackbarth, S. Cronin, R. Burke, T. Kohout, T. Lenik, M. Magrowski, P. Jorgenson; 2nd ROW — R. Silhan, L. Becker, G. Padecky, A. Sagan, R. Perks, R. Schmidt, Mr. B.

Faculty

Administration

Dear Students,

This yearbook is an important memento of exciting and worthwhile years in Morton East High School. For those of you who will graduate, I hope you will find satisfaction from this book in helping to recall fond memories. However, more important, I hope you will recognize the part Morton High School has played in helping you to meet the challenge of an adult life.

For those of you who shall continue for an additional year or more, I hope you will remember that Morton East is an outstanding school; that she provides, for your benefit, many opportunities which are not excelled anywhere in the United States. The benefits you derive from the classes, the activities, the contacts with excellent teachers, and all other associations here will depend to a large extent upon the personal effort you put forth to bring about success.

Walter L. Cooper

SUPERINTENDENT . . . In the Morton School District, the most important person is Dr. Walter L. Cooper, our superintendent. Dr. Cooper serves on the Board of Education as Executive Officer. He is always studying new techniques of school administration. Dr. Cooper also sees that the state and district laws concerning education are carried out in Morton. Much of the board members' time is spent examining bids, contracts, and expenditures. Therefore, the board determines the school's fiscal budget.

PRINCIPAL . . . Although Mr. Evan H. Kelley has been here for only four short years, he is known well by the students and faculty both. Our principal participates with the students in their extra-curricular activities. He is always at assemblies, dances, and athletic games. Mr. Kelley also assists in the preparation of the school budget with Dr. Cooper and Dr. Ondrus, which is then submitted to the school board for its approval. Because of his down to earth manner, Mr. Kelley is held in highest regard by the students of Morton.

Mr. Petrdil is not only responsible for ticket sales here at Morton East, but also at Morton West and Morton Junior College. All tickets for social and athletic events are handled through the ticket office. Mr. Petrdil also deposits the funds from the tickets into the school bank.

MR. T. BLACK

SUPERVISOR OF GROUNDS AND BUILDING ... Maintaining order is, for the most part, one of the main jobs of Mr. Thomas Black, supervisor of Grounds and Buildings at Morton. It is the duty of Mr. Black to keep a close and constant check on the building and surrounding area's condition. If repairs or improvements are necessary, Mr. Black will call on his competent maintenance crew to see that the job is done well.

TEXTBOOK MANAGER ... Mr. West is very well known at Morton. He is responsible for the thousands of textbooks issued to both High School and Junior College students every year. The most difficult time of the year, of course, is the registration time in August. All these thousands of textbooks must be given to the right people in the right combinations very quickly. Mr. West does these jobs well.

OFFICE STAFF . . . The office staff is an indispensable group in any school, for one can attribute almost all of the clerical and registrational work to it. The office staff sees that the school is run smoothly and efficiently by keeping an accurate record of all students scholastic records, their credits, and other matters for graduating seniors.

MEDICAL DEPARTMENT . . . Responsible for the health of Morton students is the Medical Department. Dr. Jasinski is the M.D. of this department, and Dr. Smejkal, the D.D. Dr. Jasinski is at the school several days a week, and among his duties is the giving of free medical exams to boys going out for sports. Dr. Smejkal visits the school periodically also.

Miss J. Alexander, Mrs. C. J. Nicholson, Dr. H. S. Smejkal.

Dr. T. J. Jasinski, Miss C. E. Schicker.

MAINTENANCE STAFF . . . Keeping the halls and classrooms at Morton neat and clean, is the task undertaken by the maintenance staff. The staff arrives early in the morning in order to prepare the school for the day ahead and leaves late in the afternoon after cleaning up. The staff once again performed their duties perfectly.

CAFETERIA STAFF . . . Once again, under the direction of Mr. M. Kelly, the cafeteria staff at East functioned smoothly as a unit. Each day the staff prepared nutritious meals, both hot and cold, for the 4000 students at Morton and the faculty. The Morton students are fortunate to have such a cafeteria staff.

Ponies and Colts Show Promise

SOPH BASEBALL . . . Gaining valuable experience for future varsity squads, the Ponies had a fair season. The boys started the season with a loss to Hinsdale, but then retaliated defeating Blue Island. The sophs did only fair in Suburban League competition. Morton succumbed to New Trier 7-6 after romping Highland Park 22-1. A spectacular pitching performance was turned in by John Zuke in the victory over Proviso East. Proviso was defeated 4-1 on a three hitter. Another powerful mainstay of the team was slugger Mike Pawlowski. Others who pleased Coach Hapac were Ron Zaba, Paul Koutek, Nick Garbarino, John Heitmanek, and Paul Katarzynski.

FROSH BASEBALL . . . This year's Frosh team, under the guidance of Coach Bell, had a successful season. The underclassmen started the year with an impressive victory over Hinsdale 10-3. After defeating Blue Island, the Colts then initiated Suburban League competition with two decisive victories. They defeated powerful New Trier 5-4, and shut out Highland Park 6-0. Later in the season, the Colts were defeated by Proviso East 11-1 for their first loss of the year. This year's Freshmen had a worthy, as well as valuable season. With the experience gained this year under Coach Bell, the team members should provide a strong nucleus for future Morton teams. Jim Mack, Ed Rada, and George Vokac had a fine season.

Diamondmen, Able Foes

The Morton East Mustang diamondmen had a successful season this past year. Coach Dick Kucera's squad ended the season in second place in the Suburban League, only one-half game out of the championship, with a 9-5 record.

The Mustangs started with three wins and one loss in pre-season play. The diamondmen opened league play with a 17-1 romp of Niles East. In a game against Oak Park, Don Cervenka went all the way pitching a 4-3 win in a 12 inning marathon.

The Mustangs won both games against Niles East, Oak Park, and New Trier. Splits were encountered with Proviso East, Waukegan, and Highland Park. Evanston was the only school able to stop us twice. Maroon and white swamped the districts, winning over De LaSalle 11-6 and Oak Park 8-5. In regional play, however, the Mustangs were humbled by New Trier 8-6.

The team was able to produce several sparkling performances and give others needed experience. Don Cervenka, Wayne Sramek, and Bill Posen made the All-Suburban League squad and showed that Morton has the best pitching hereabouts. Ray Marcin was placed on the league team at the third base slot.

Trackmen Strive to Rebuild

VARSITY TRACK . . . Although the 1962 Morton East Varsity thinclads had a disappointing win-loss record this year, the club was able to show several very good individual performances. Coach J. F. Arnold's team seemed to lack a substantial over all team effort which proved their downfall. The team placed seventh in the Suburban League with a 1-7 league record.

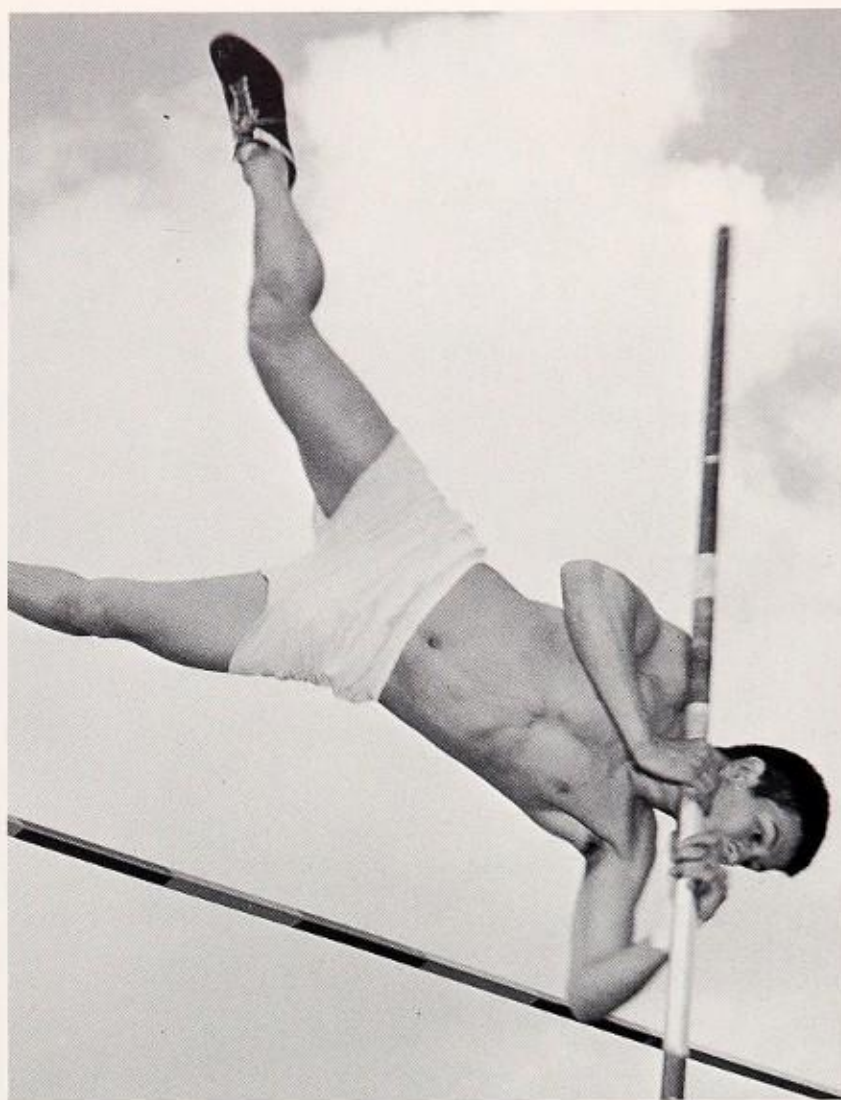

Several outstanding individual performances gave the boys initiative, however. Terry Mach and Al Smejkal turned in good performances in the dashes. Jim Plunkett garnered points for us in the hurdles. Ray Marcin was rated one of the best shot put men in the state. Leon Globke proved a formidable broad jumper in most meets. Larry Priban was a surprisingly good high jumper.

One of the big reasons the team could not do better was inexperience. Many of the boys on the varsity team were in their first year in track. The efforts put forth by these first

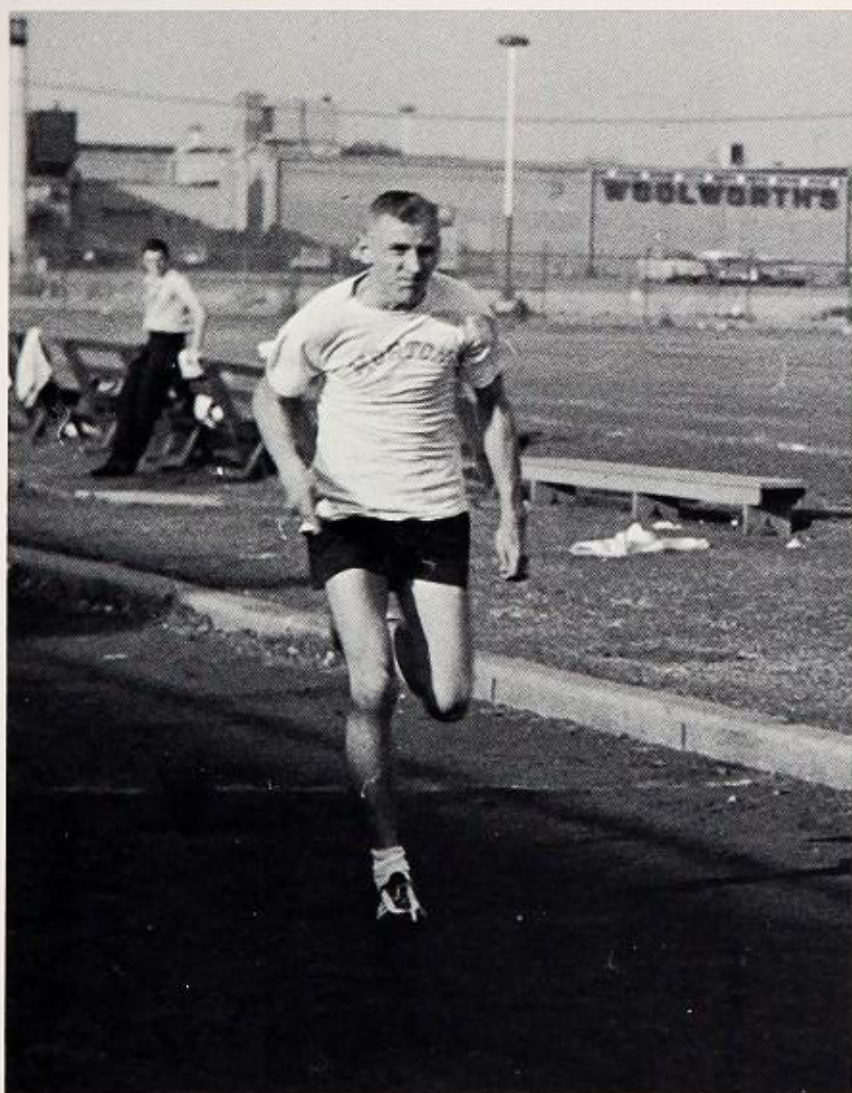

year boys did not show up in all cases. However, Terry Mach and Larry Priban were able to do quite well in their first of track. Terry took a second in the 220 yard dash in the district. He is also co-holder of the League 220 yard dash record at 21.7 seconds. Larry Priban shot up in the high jump toward the end of the season and placed third in the Suburban League meet. Also, since this was coach Arnold's first year at Morton, many of the boys who participated previously in Track had to get used to a new coach and vice-versa. Mr. Arnold also had to search and find what boys could do best besides teaching new boys the fundamentals. It was quite a job, however, coach Arnold was able to keep team spirit up to a surprisingly high level. With the experience the boys gained this year and some very good individual performers coming up from the sophomore ranks, next years team should show a marked improvement.

Leon Globke strains for more distance in the broad jump.

Rick Mann goes up and over in a practice vault.

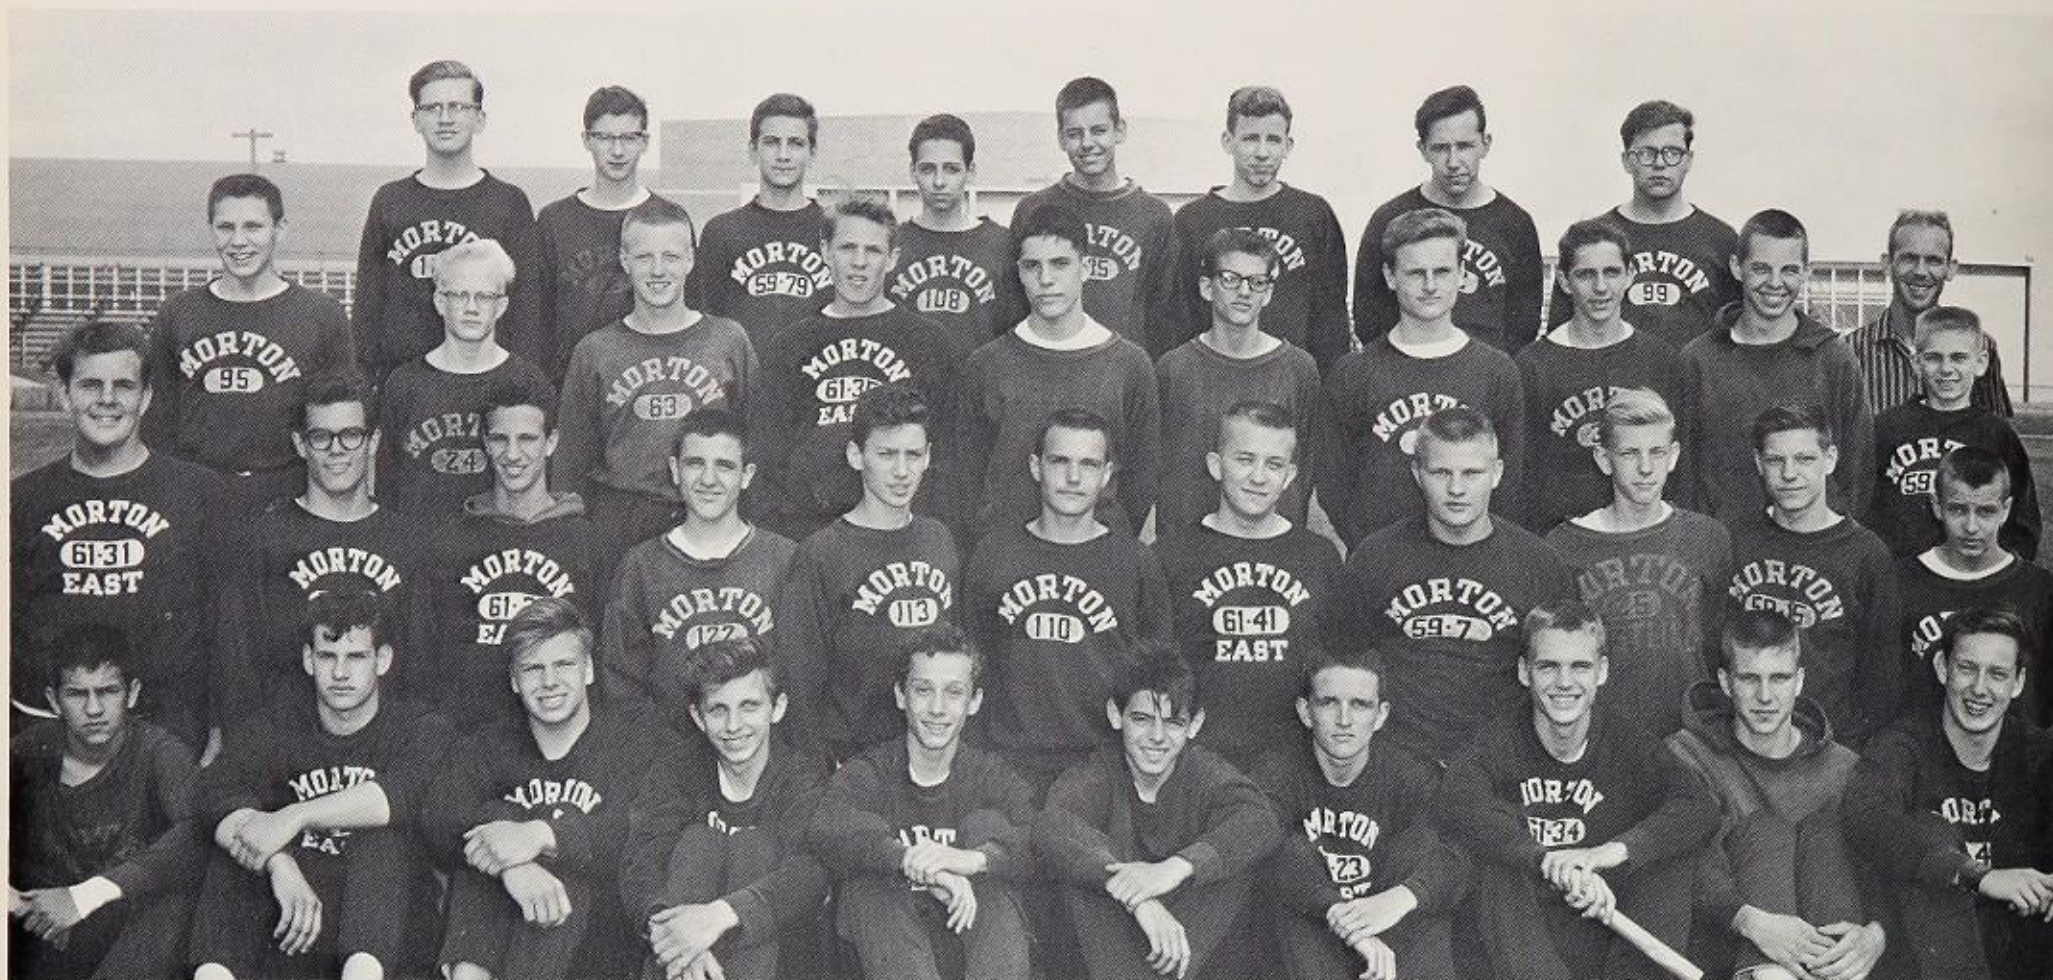

Terry Mach, Suburban League 220 yard dash co-record holder.

John Serbin takes the anchor leg of the mile relay.

FROSH-SOPH TRACK . . . This year's Sophomore Track team finished fourth in the Suburban League meet. The boys put on some very spectacular performances in the League meet. Ray Kraig won the 180 yard Low Hurdles by five yards. Rick Mann set a new Sophomore Pole Vault record. Art Schuett, a freshman, placed second in the Shot Put. Joe Votava and Bob Johnson finished fourth in the half mile and mile, respectively. These boys should be quite an asset to the varsity in the future.

Wayne McMillan shows strain as he finishes run.

Ray Kraig shows form used in winning low hurdles.

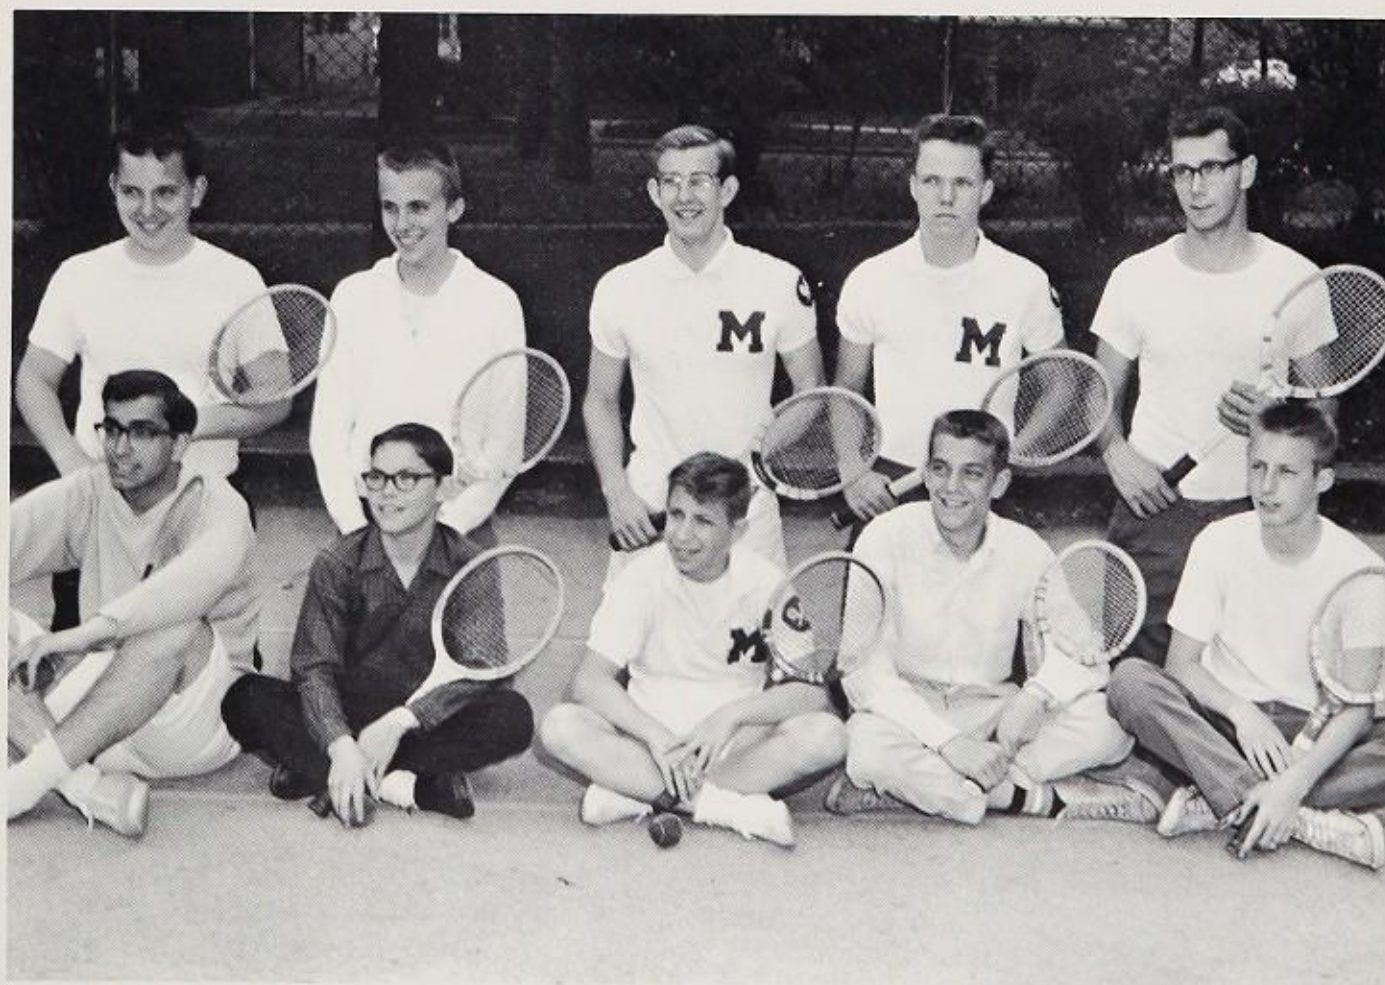

Golf and Tennis Find Tough Sledding

GOLF ... Morton's varsity golf team, under the direction of Coach Bill Hedtke bolstered a 3-11 record this season. Standing itself, this record perhaps is not impressive; but Morton's linksters, only Freshmen and Sophomores, faced other school's top Juniors and Seniors. The members of the varsity squad were Paul Drnec, Bob Cerwin, Dennis Pivonka, Fred Lukasik, and Dan Motto. Motto has shot lower than 85 at times. The home course of the Mustangs is at Acacia Country Club. Mortonites competed in State District competition against other top schools gaining valuable experience. The future squads will be experienced and should obtain an impressive win-lost record. The squad shall always need new players, however, and all interested people will be welcomed.

TOP ROW — K. FencI, D. Hectus, F. Taroli, Coach Hedtke, W. Liss, G. Mastalorz, L. Budrick; **BOTTOM ROW** — R. Cerwin, D. Motto, D. Pivonka, W. Edison, F. Lukasik.

TENNIS ... The tennis team, under the coaching of Mr. L. H. Batson, finished the season with a 1-11 win-lost record. The team was composed of Chuck Kalat, George Kalivoda, Chuck Hanson, Ron Kucera, Ken Simone, and Jerry Hnetyuka. The squad played hard but they were simply overwhelmed. In one meet against Argo, Chuck Kalat fought for two hours and ten minutes only to be overcome in the end. Simone and Hansen composed the doubles team. Coach Batson's crew has its home courts at 28th and East Avenue and through practice hopes for a better team next year.

TOP ROW — J. Magraken, J. Wojciekowski, C. Kalat, J. Hnetyuka, K. Simone; **BOTTOM ROW** — D. Simone, L. Bolin, A. Klail, T. Svoboda, D. Biank.

Fall

Tony Vais leaped high in the air to fire a pass downfield during varsity practice. Blocking for him were Russ Jansky and Carl Heinichen.

Standing in front of the sophomore queen's float are from left to right Sandra Posway, the queen, Debbie Krych, Christine Wolicki, Linda Nemecek, and Theresa Composano.

The Day of

Probably the highlight of the year in every student's mind was homecoming. This may have been because of the day's varied activities which homecoming included. With the pep assemblies, the homecoming football games, the colorful parade, an active student had a full and exciting day to look forward to. It was the only school activity in which almost the entirety of the student body and the faculty participated. From the start of the homecoming day, a student could have seen almost every one of his teachers or members of the administration either participating as judges and chaperons or just enjoying the events of the day. Much work went into the development of the homecoming weekend. The parade probably involved the most work because of the complexity of the floats and of the coordination of the following parade. The theme of this year's homecoming was Knights of the Gridiron. Of course, the crowning of the homecoming queen cannot be overlooked. The crowning took place at the pep assembly and highlighted an exciting weekend.

The Modern Dance Club's float, "Riding to Victory," won the first place award.

The Library Club's float, "Slay'em," was just one of the many fine floats which participated in the homecoming parade.

Activities

Showing School Spirit

GIRLS' PEP . . . The Girls' Pep Club was one of Morton's largest and most successful organizations. The main purpose of the club was to promote good will and good sportsmanship at the games. The girls certainly accomplished this goal. They faithfully backed all of our teams. They learned and practiced cheers with the help of the cheerleaders at their weekly meetings. The girls showed fine school spirit at all of our games. They could always be distinguished from the rest of the crowd by their spirited cheering.

Under the direction of Mr. J. L. Hampton and Mr. B. C. Holloway, the club had another successful year. New members were let into the club at the end of the year after having met the requirements necessary for membership. At each game the girls sold all types of refreshments, including a new addition

this year, Italian lemonade. The girls in Booster Club put in many hours of hard work to earn the points necessary to receive an "M" at the end of the year. The club used the profits from all their sales during the year to sponsor the annual dinner-dance in May. The dinner-dance honored the senior athletes of the school. Due to the great amount of preparation that went into the affair, it was once again a big success.

CAF GUARDS . . . Due to the fine job done by the Caf Guards, our cafeteria was as proficiently run as possible this past year. Caf Guards or Boys' Physical Education School Leaders, as they are formally known, were offered the chance to display their own individual qualities of leadership. At the same time, they performed a necessary function of the school. In order to help them enforce the basic principles of good citizenship in the cafeteria, the boys were given courses in group psychology. Under the direction of Mr. J. L. MORTONIAN ANNUAL ... This book is not only a collection of fond memories, but also the result of many long hours of tedious work. The general planning began as soon as the last book was completed. After a few disagreements, the annual staff chose an appropriate theme for the book. The editors of the individual sections had been selected by this time, so the work began. Under the guidance of Mr. R. J. Tudor, the staff tried to follow the tradition of putting out the best book ever.

But it wasn't all work and no play. Splash parties, picnics, and seasonal parties gave the staff a chance to get together, relax, and have fun.

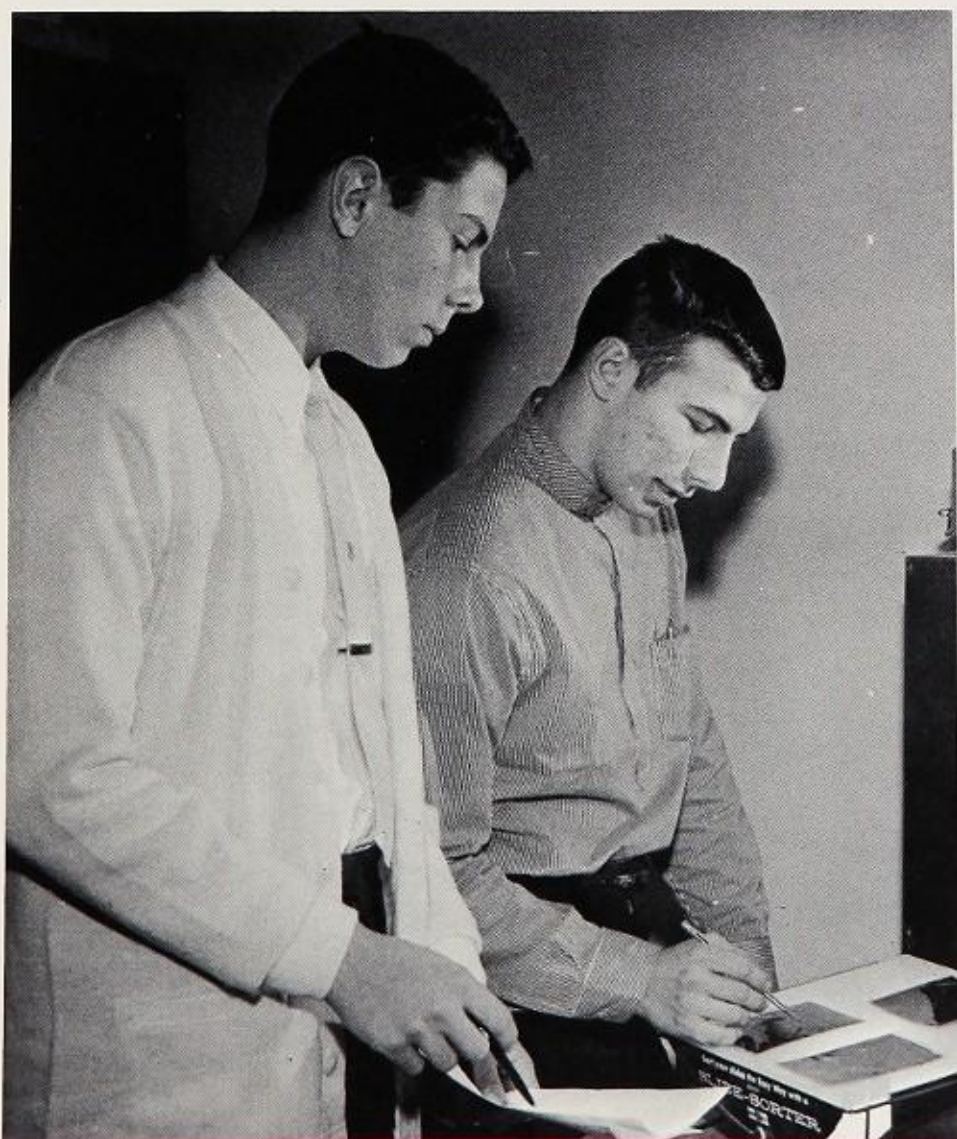

The week of deadlines was usually hectic, but when the pages were in, a feeling of pride and accomplishment was instilled in every member of the staff.

The day of true satisfaction came when all the members of the staff distributed the annuals and saw the proud faces of all the students.

Among the projects of the School Spirit Committee were the "Go Morton" posters displayed at the games. The Welfare Committee completed its "Books for Africa" drive this year.

It was a beneficial class for anyone interested in business.

Furthering Their Future

DISTRIBUTIVE EDUCATION . . . The purpose of Distributive Education was to prepare interested students for their future vocations. This goal was accomplished by teaching the students the basic principles of economics and salesmanship. After studying in the morning, the students went out to get practical training by working in nearby stores. They gained further knowledge as well as important experience.

SOPHOMORE CROSS-COUNTRY ... The Freshman-Sophomore Harriers, losing several members to the varsity, could not produce the winning record of the varsity. The two top sophomores, Bob Habes and Roger Rybarchek, were moved up to the varsity in mid-season. This took quite a bit of punch from the squad. The only league win the boys could manage was a swamp of Niles East when twelve Morton runners finished before a Niles East boy crossed the finish line. Several of the top runners should prove an asset to the varsity next year. Frank Henry, Bob Hruby, Frank Skorsny, John Posen, Wayne McMillan, and Tom Pavlik provided the nucleus for this year's squad.

Morton Hits

VARSITY FOOTBALL ... The Morton East Mustang football squad, under the direction of Coach W. J. Vohaska, opened up its 1962 gridiron season with a non-league game which ended in a 13-13 tie against Washington Park High School of Racine, Wisconsin.

The Mustangs opened up league play in a game with Evanston, the defending Suburban League and unofficial state champs. The power and size of the Wildkits proved too much for the Morton squad. The injury jinx also hit the squad. During the game which was lost 39-0, several of the boys were lost for more than one game.

The Morton eleven went next to Highland Park in what was supposed to be a breather after the Evanston game. The injury loss, however, proved to be too great as Highland Park won a very close 6-0 victory.

The next game, our homecoming, was against our traditional rival, Oak Park. The game was very close. The boys were inside the Oak Park eleven yard line three times without scoring. The game was clinched for Oak Park as they took over the ball on downs only ten yards from their own goal, with less than 45 seconds left to play. The final score was Morton 13, Oak Park 20.

Opposition

Waukegan came to Morton and handed us a 41-6 defeat the next game.

The maroon and white of Morton proved surprisingly tough in their next game against highly rated Proviso East. Through more than half the game, the Mustangs were behind only six points when, in the last minutes, Proviso connected with another touchdown and a safety. The final score; 14-0.

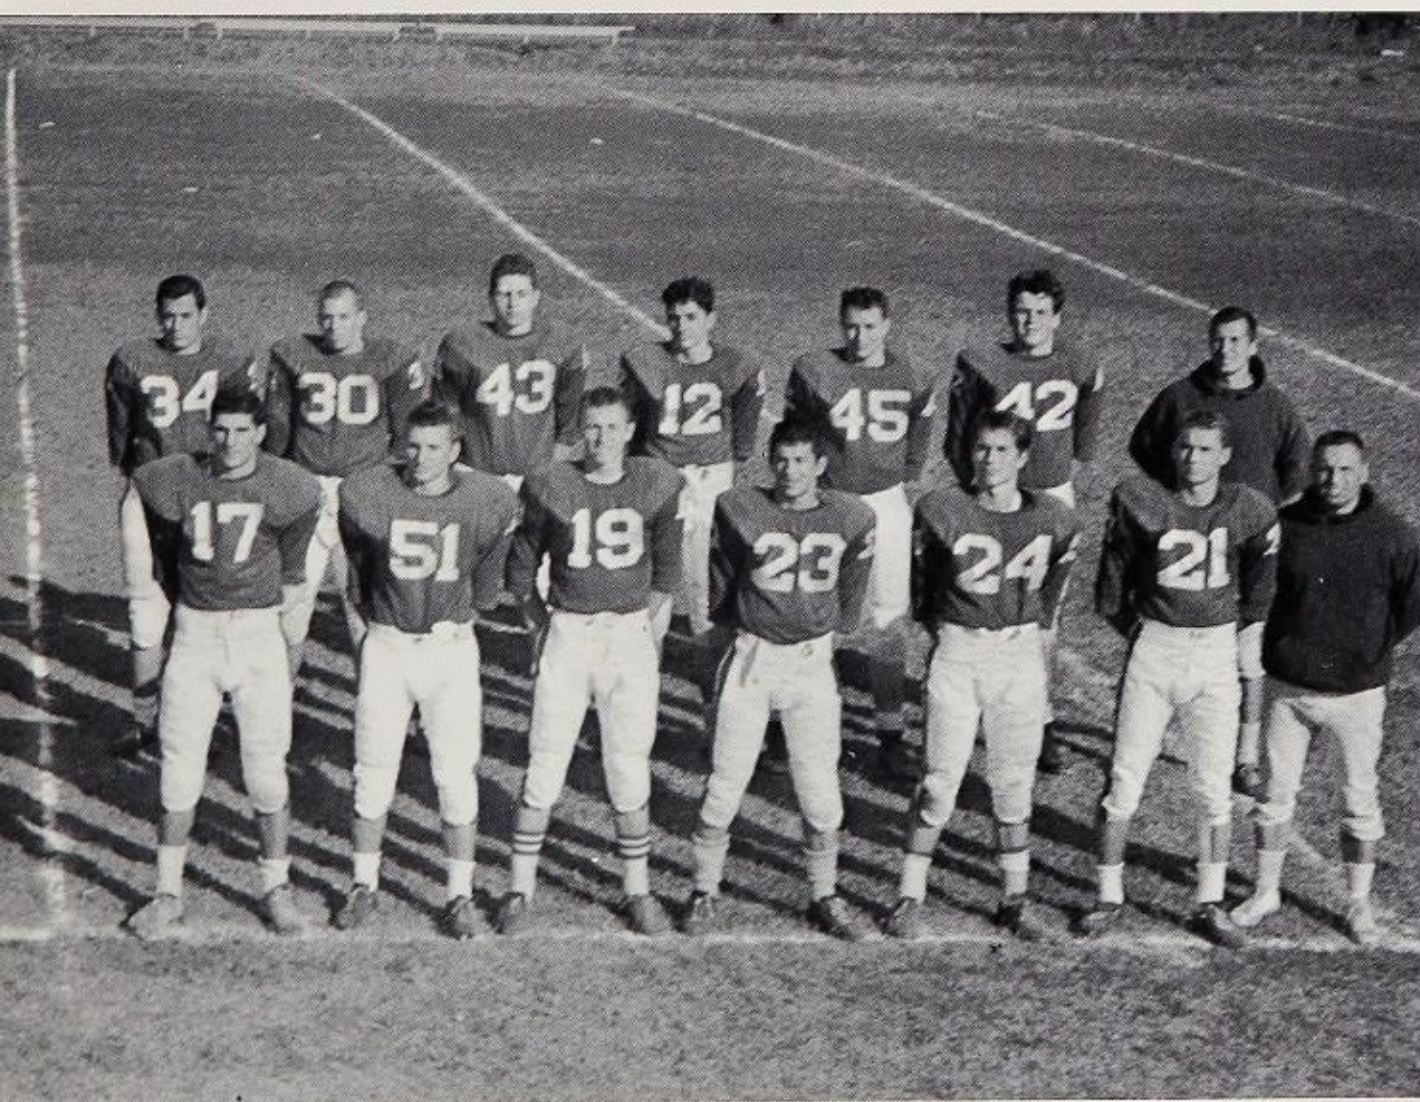

New Trier, the league champs by an upset, handed Morton a 20-0 loss on the last home game of the season.

The Mustangs finally found force in their last game, defeating Niles East 21-6. Dave Cherico, had an amazing forty-two tackles in the game.

Although the team lacked over all depth with only twenty-four members, several boys proved outstanding in their positions. Dave Cherico was elected to the All-State, All-Area, and All-Suburban League teams. This marks the fourth straight year that Morton has had an All-State lineman. Russ Jansky and Carl Heinichen made the All-Suburban League team.

SOPH FOOTBALL ... Coach Herb Salberg's Ponies had a fair season this year. However, it must be taken into consideration that the Suburban League is one of the toughest leagues in the state of Illinois. The Ponies started the season with an impressive victory over Washington Park of Wisconsin. Nevertheless, victory was short-lived for the underclassmen as they lost by three touchdowns to Evanston 20-0. Despite this overpowering score, the Ponies did play a fine defensive game.

The Ponies then went to Highland Park. The only good thing that happened there was a touchdown by Rich Markus. This was the only tally Morton had losing 20-7.

The team, in a brilliant effort, managed to battle highly-rated Oak Park to a 7-7 tie on Homecoming day. The under-

classmen entered the scoring column on a touchdown pass fired from Jim Mack to Rich Popovich.

The Ponies, eager for victory, then defeated the Waukegan Bulldogs at home by a score of 8-0. The underclassmen marched 90 yards which was topped off by a 15-yard touchdown pass thrown from Jim Mack to Rich Markus.

New Trier then came to Hoffman Stadium and defeated the Ponies 19-0. It must be considered that the players on the soph team have gained valuable experience for future varsity teams.

Regulars on this year's team were Jim Malady, Rich Popovich, Vernon Zink, George Vokac, Rich Markus, John Nowowiejski, and Phil Lewandowski.

JUNIOR VARSITY FOOTBALL . . . The Junior Varsity football team was composed of junior and senior boys who through diligent practice and outstanding playing on this level hoped to be moved up to the varsity level. Perhaps one of the reasons that the boys, although putting forth a fine effort, were not able to win a single game was the constant changing of the team. Several of their finest players were later moved to the varsity thereby leaving large gaps in the starting lineup which the team was unable to fill. Among the

boys who were promoted to varsity were Bruce Pons and Bob Burnham. Don Jankovich played enough time on the varsity level to earn his letter. The losses cannot be blamed entirely on the interchanging of the players, however. The number of boys on the squad must also share the blame. If the coaches had more basic material to choose from they would have been able to produce a finer team that without doubt would bolster a better record.

Junior Varsity boys practice hard and long striving to make the Varsity.

FRESHMAN "A" FOOTBALL ... The freshman "A" football team, having only twenty two members on the squad, could not show the depth needed to produce a winning team. For Morton East freshman the team finished eighth in the suburban league with a no win-eight loss record. Having football facilities so far from home has certainly hurt the team as Coach Rassmussen states.

FRESHMAN "B" FOOTBALL ... The Morton East "B" freshman team, coached by Mr. D. Peterson and Mr. G. M. Larimer, only managed to win one game this past season with only fifteen members out for the squad, and practicing in an open field, this was an accomplishment. With better facilities closer to home, the team would probably have done better.

SOCCER . . . Coach J. Jahelka's soccermen had a fair season this year. The overall season record was four wins, seven losses, and one tie. This record enabled the squad to finish in fourth place. Succumbing to the Booters this year was Evanston, who was defeated twice, St. Joseph, and St. Mel High Schools. Sig Hirsekorn and Manuel Sanabrias had fine seasons.

WEIGHTLIFTING CLUB . . . The Morton East Weightlifting club, under the direction of Mr. John Cook, has led an active life this year. Besides working out twice a week, the boys attended several weightlifting meets. In many cases, members of the club are striving to build up speed and strength for other sports in which many of them participate.

Serving as ushers at sporting events and keeping the cafeteria neat and orderly during zero hour are jobs the M Club does faithfully. The club also sponsors two playnights and

the annual Valentines dance. During the Fall, members of the club publish the Football Yearbook. The M Club also strives to increase school spirit. Gymnasts Show Form

VARSITY GYMNASTICS ... In late Fall, gymnasts at Morton East start working out with Coach J. M. Carr. The boys strive for perfection in body movement, and control in what is known as the most beautiful sport in the world. Each boy must manipulate on parallel bars, trampoline, horse, rings, free calisthenics. Mike Beatty, Tom Wolak, and Jerry Mitvalsky paced the team.

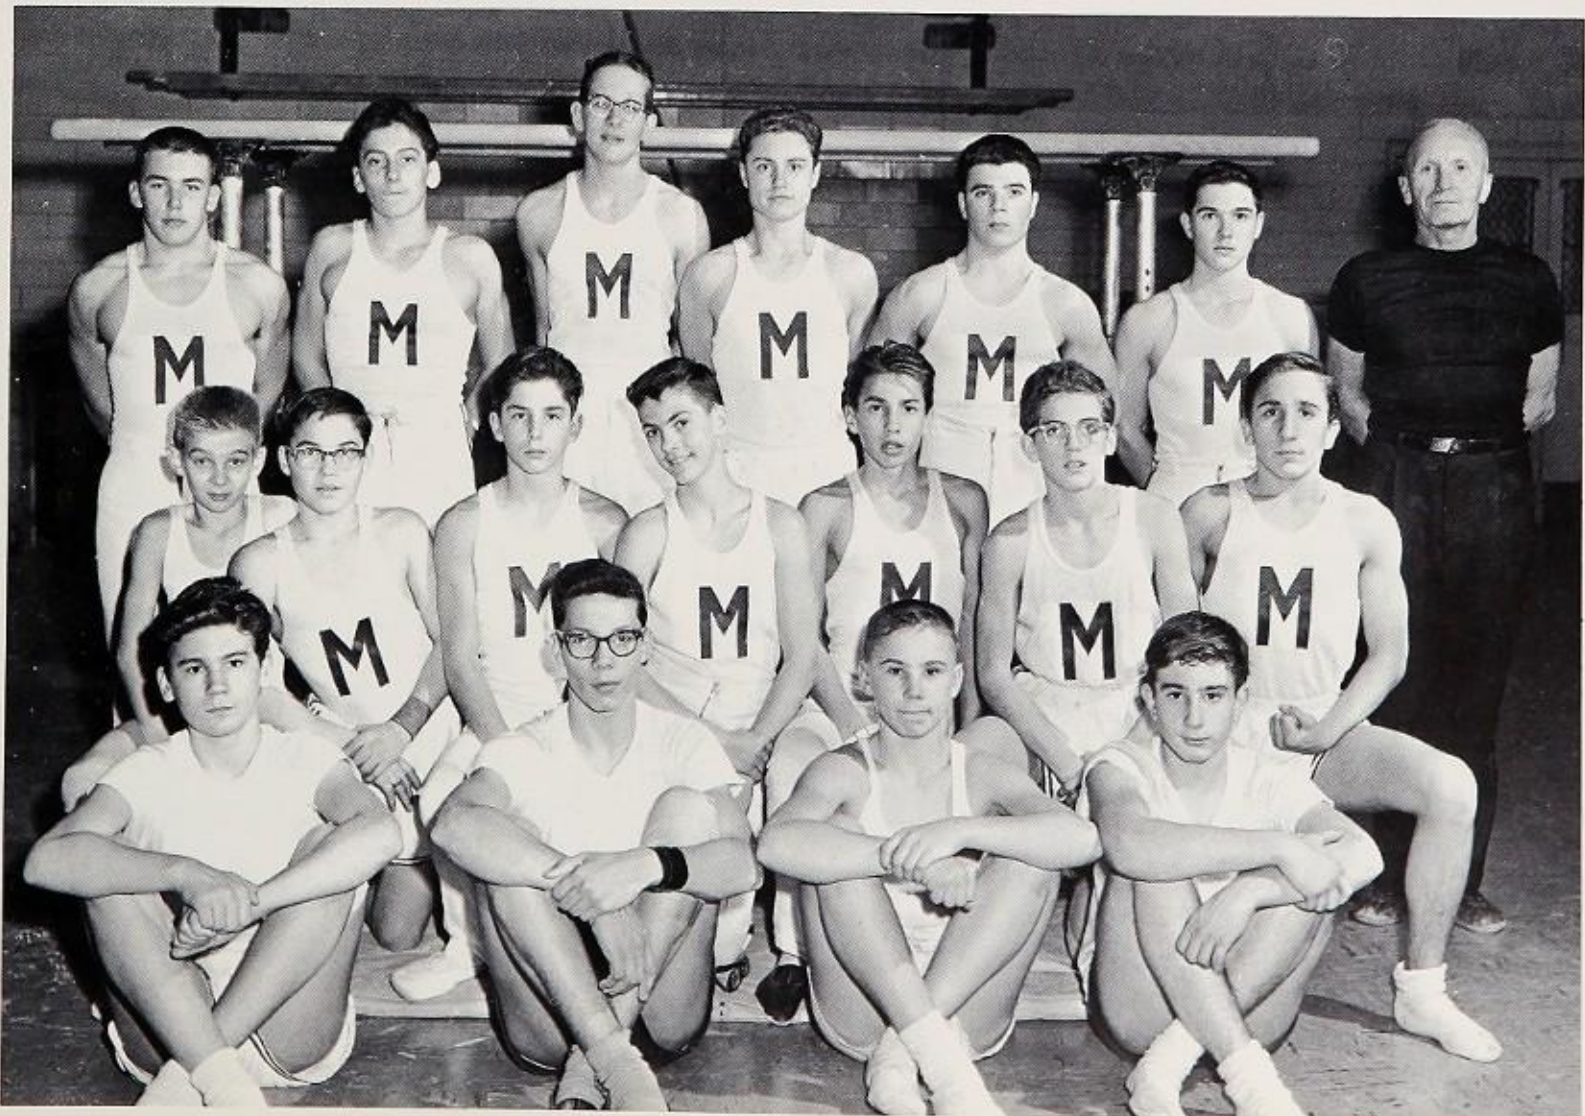

SOPHOMORE GYMNASTICS ... The Freshman-Sophomore gymnastics team, coached by Mr. O. S. Kudrnovsky, tried to follow the varsity in striving to attain upmost body efficiency. They, however, used more basic techniques in order to learn the fundamentals thoroughly before they become varsity gymnasts. Tom Sotka and Enrico Chiappetta led the Freshman-Sophomore team.

Grace and Agility

LEADERSHIP . . . Leaders was the name given to junior and senior girls who took the responsibility of officiating, taking attendance, and organizing all girls' physical education classes. Before they became leaders, the girls went through a training period of one year. In the training class, the girls were taught all the skills necessary for leadership. After they passed a test, the girls were assigned as leaders to various girls' gym classes. Leadership helped the girls themselves as they were able to develop many desirable traits and characteristics.

TUMBLING . . . Tumbling Club was formed to give interested girls the opportunity to increase their skill, timing, and coordination in the art of tumbling. New members had to show that they were able to perform elementary skills before they were admitted into the club. Once in the club, new members strove to get enough points to receive an "M" at the end of the year. These points were earned by attending meetings and participating in the P.E. demonstration. Tumbling Club not only offered the members the opportunity to relax and have fun, it also helped them keep physically fit and healthy.

CHEERLEADERS . . . One of the most outstanding representations of Morton this past year was our cheerleading squad. Their boundless enthusiasm, coordination, and acrobatic skill helped cheer our teams and players on to many victories. Under the direction of Miss M. S. Neff, the cheerleaders were chosen last spring. They achieved perfection only after many hours of hard work. Their grace, poise, and ability were assets to them wherever they went.

MODERN DANCE . . . The purpose of Modern Dance Club was to give girls interested in Modern Dance and self expression the opportunity to gain further knowledge of Modern Dance. Under the direction of Miss J. Ernst, the members had the chance to create their own dances. Every movement that they made in these dances had an important meaning, expressing one of the basic emotions. The girls improved their timing and skill by performing intermediate rhythms. After these had been mastered, the girls went on to more intricate and difficult patterns. The major event of the year was the Modern Dance Concert which was again successful only because of many hours of practice and drilling.

French students gain valuable knowledge of the French people through the reports of individual students.

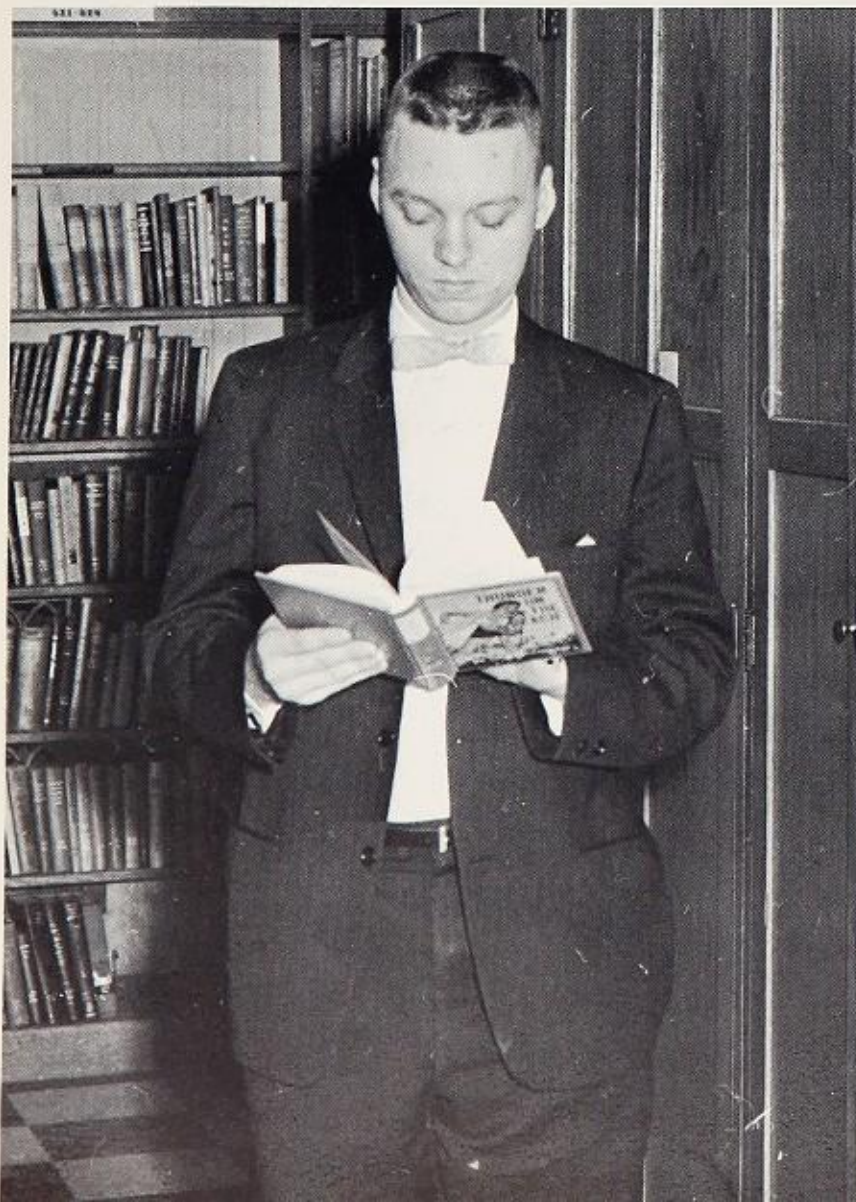

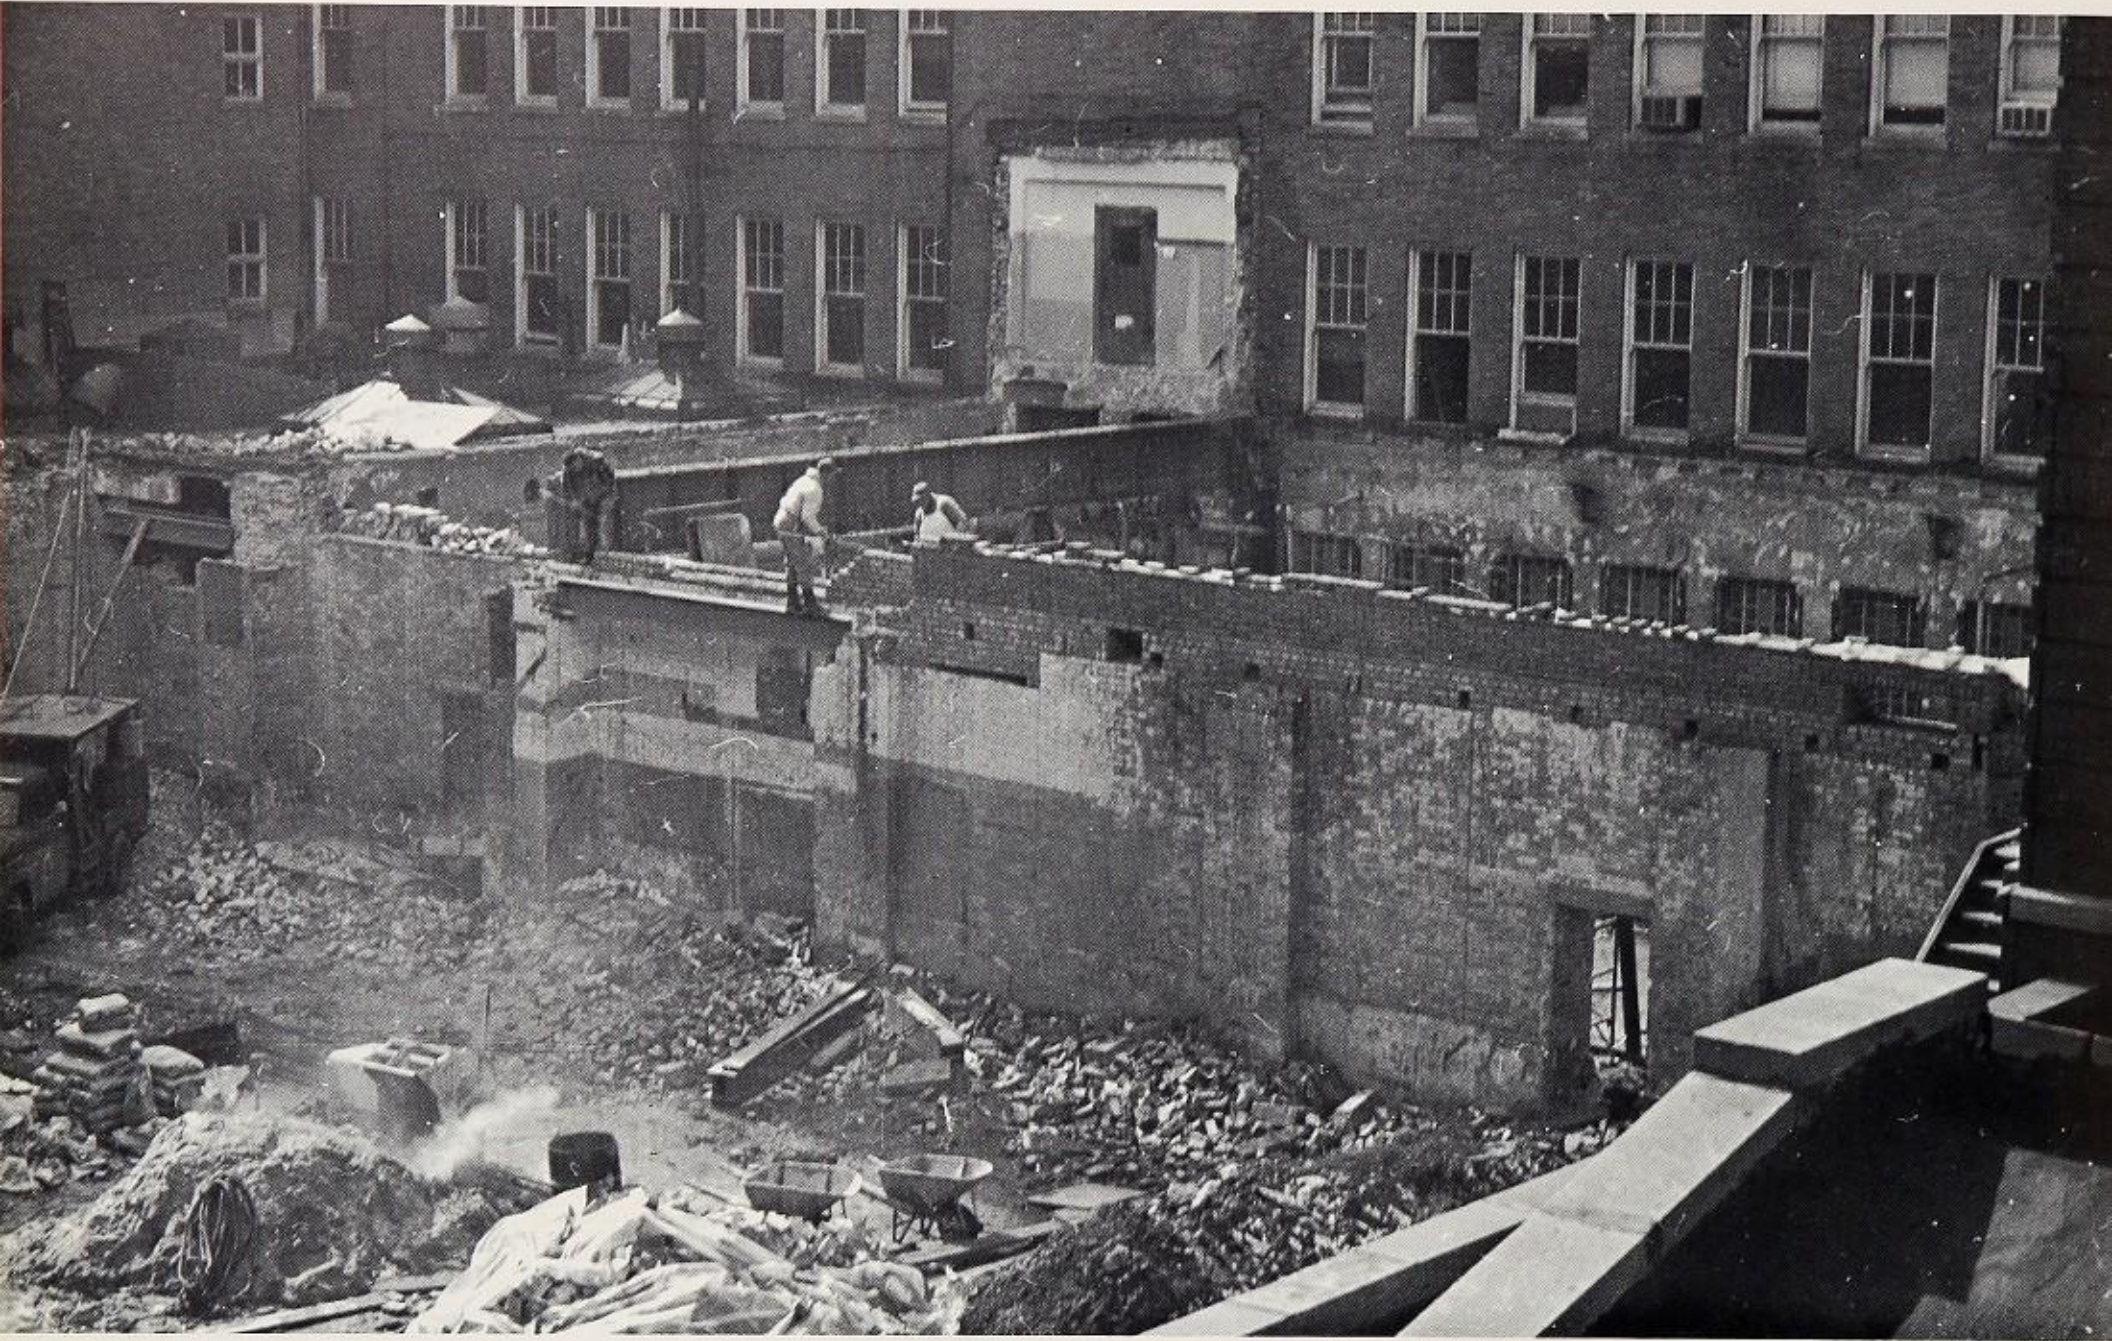

Winter

Paulette Cichon, Jeannette Votava, and Penny Halac rehearsed their act for the MORTONIAN ANNUAL'S assembly in which they appeared in the winter scene.

Characteristic of the Winter Months

Remodeling of the school continued into the winter months with the razing of the personnel office and the swimming pool to make way for the relocation of the administrative offices.

The band made quite a few trips by bus to the grade schools this past year to put on special concerts and solo demonstrations for the purpose of interesting the students in music.

At one time during the renovation of the building, the magazine and fiction libraries were forced to crowd into the nonfiction library before their re-establishment was completed.

Throughout the winter, the history and other social science classes discussed the Cuban crisis at length and the many other news items which made headlines in the world.

The Glass Menagerie with its cast of four was hailed as a superb performance by everyone who saw it. The story was about a girl who lived only for her dream world of glass animals.

Modern Music Masters is the name of the National Music Honor Society. The top music students at Morton were recommended for membership by their music teachers. Only upper classmen who maintained high scholastic averages were eligible for membership. The main purpose of the organization was to advance solo and ensemble presentations. Through Tri-M, the members were able to maintain their musical ability and interest.

They Keep Students Informed

MORTONIAN . . . In a school as large as Morton, it is difficult for the students to keep abreast of all the current events. It is the purpose of the **MORTONIAN** to keep the student body informed on all events in the school. Every other week, the students and faculty alike looked forward to receiving their copy of the **MORTONIAN**. This year, as in the past, the staff of the **MORTONIAN** strove to make the paper an award winner. The **MORTONIAN** this year met the fine standards that have been set by other Morton newspapers. This goal would not have been achieved without a fine and capable staff. Under the direction of Mrs. H. C. Mivelaz, the staff put in many hours of work to put out an outstanding newspaper.

After the teachers had voted for the nominees, the students were notified of their selection and invited to the annual initiation ceremony. At this ceremony the new members

received their membership cards. The members of Junior Honor Society were responsible for a great amount of work during the school year. They had to organize the Honor Rolls and send representatives to grade schools. They also combined their efforts with the Senior Honor Society to help make the Honor's Banquet a complete success.

SOPHOMORE BASKETBALL . . . The Morton East Ponies had a fine basketball season this past year. Mr. D. G. Hudgens coached the boys to a third place Suburban League finish. Mr. Hudgens has ably coached his boys, as can be seen by the number of close games they have won this year. Perhaps the most exciting contest was the over time win against New Trier. Many of the boys on the team played outstanding ball. Among them were; John Huth, Jim Mack, Bob Cerwin, and George Vokak.

FRESHMAN A BASKETBALL . . . The Freshman A basketball team also had a winning season this year. They finished in third place in the Suburban League after a hard fought season. Coach W. H. Johnson has strived to teach the boys the fundamentals of basketball so that they may ably represent Morton East in future years as fine Sophomore and Varsity teams. Some of the boys who showed good potential were Jim Peters, Steve Stone, Ken Brown, and Paul Swae.

FRESHMAN B BASKETBALL . . . The Freshman B basketball team had a rough time in the Suburban League this year. Coach J. R. Sime and the boys on the team ended the season with a two win and ten loss record for the year. The boys, however, gained much experience through playing in the rough Suburban League. The boys who performed well on the B team were Bob Majewski, Russ Vandenburg, and George Bostrom.

VARSITY BASKETBALL . . . The Morton East Mustang Basketball Squad fought its way to a fourth place tie this year in Suburban League competition.

Morton opened up strongly with two non-conference wins over Hinsdale and York. Then, journeying to Proviso East, the boys encountered their first setback. The Mustangs then beat Niles East and Evanston while losing to a powerful Waukegan team.

In the Paris Holiday Tourney, Morton opened up strongly with a victory over Robinson. However, the boys were upset by Mattoon and Danville later in the tourney.

The Mustangs then romped over Highland Park and soundly defeated Oak Park. The Morton cagers then journeyed to New Trier where the boys put on a spectacular second half performance only to lose a heart breaker by one point.

Wanting revenge for an earlier loss, the maroon cagers defeated Proviso East in the last seconds to win a well played game.

The Mustang squad went on to beat Niles East and Highland Park again while they were upset by Evanston and Oak Park.

In a revenge battle with New Trier, the boys played very well for the first thirty minutes of play. However, in the last two minutes, the New Trier team eked out a come-from-behind victory.

The Mustang cagers opened Regional play with a one sided victory over Little Flower. In the next game, the Mustangs looked brilliant as they walked all over De LaSalle. The Regional title game brought the roof down in the Berwyn-Cicero area. It was the first time in history that Morton East met Morton West on the cage floor. The Mustangs had a hard time clicking and barely won a very close game to bring the Regional Championship to East.

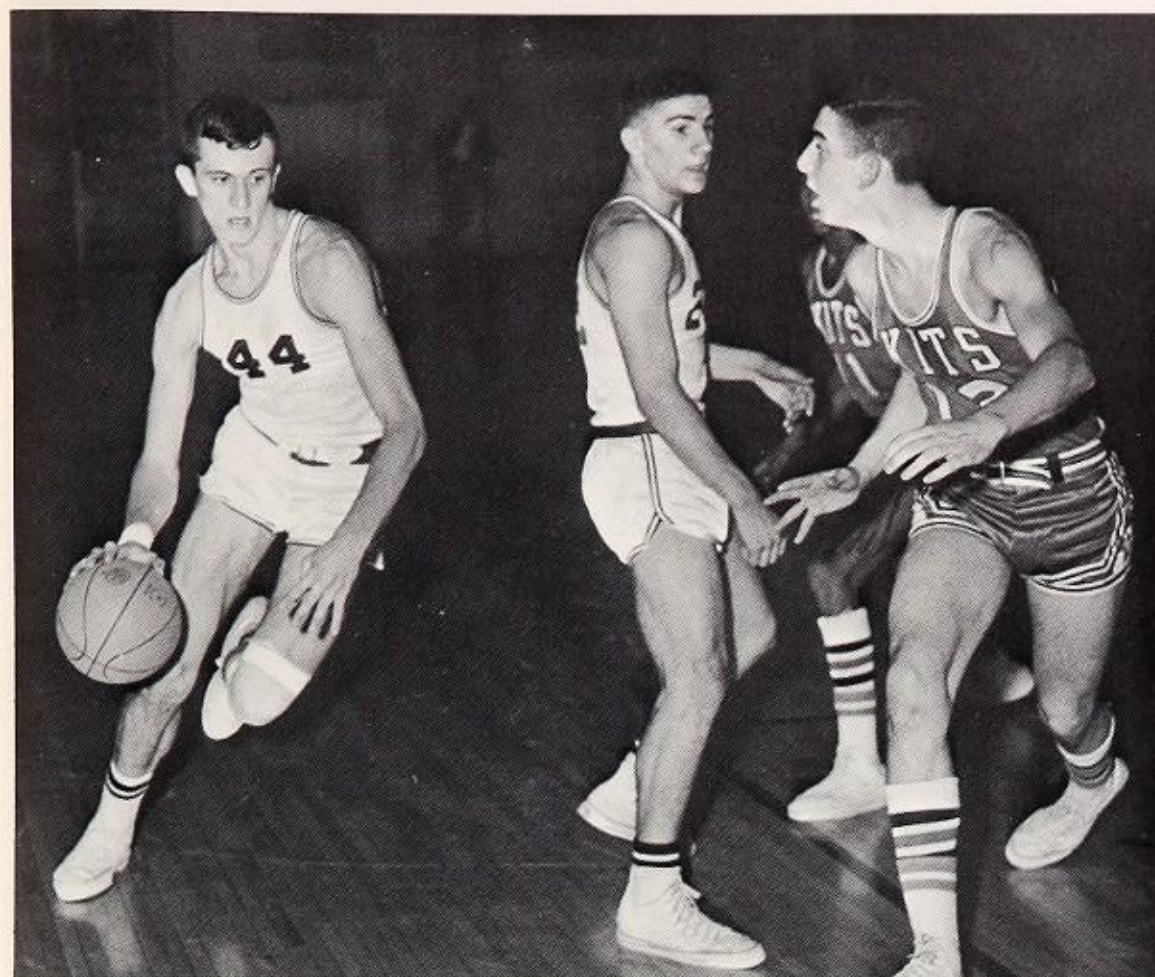

In Sectional play the Mustangs played a supposedly powerful Bloom team. The cagers played spectacular ball in the first half, leading all the way. However, the boys couldn't buy a basket in the third quarter. Only an excellent job of rebounding by Larry Priban and Nick Garbarino kept Morton within four points of Bloom through the second half. The game was very close all

the way and only a disastrous break through with forty seven seconds to go assured Bloom's victory.

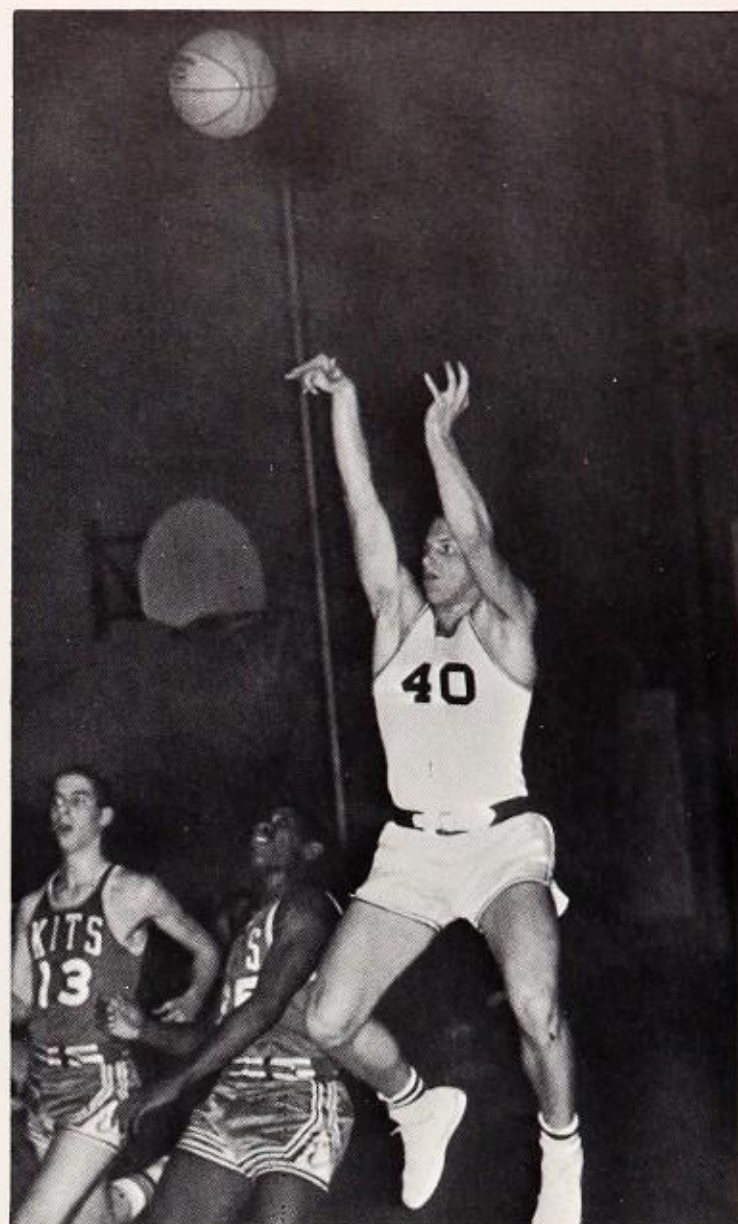

Larry Priban and Bill Posen paced the team with accurate shooting and good rebounding. Nick Garbarino played spectacular defensive ball in the later part of the season. The biggest surprise of the year, however, proved to be the brilliant play of freshman Johnny Posen.

Cindermen Exhibit Comeback

VARSITY TRACK . . . This year's Mustang Cindermen showed much improvement over last year's squad. With more strength in every event, the boys began to show the power that previous Mustang teams possessed. Although the boys lost the first meet to New Trier, they were able to trounce Riverside-Brookfield and Schurz. The Mustangs then hosted the second annual Morton East Relays. Against a tough field of nine schools, Morton led scoring during the sprints and middle distance events. However, weak field events and distance running dropped the team to a fourth place finish. In this meet, the shuttle hurdle relay turned in a record breaking performance, winning the event. The four lap relay and spring medley relay took seconds, and the mile relay placed third. Many of the boys have improved greatly in their events this year. Co-captains Terry Mach, Leon Globke, and Dennis McMillan paced the team. Fine performances were also turned in by Earl Pavlik, Bob Roegner, Joe Votava, Al Smejkal, and Jim Videbeck. The team also competed in the West Suburban Relays, Evanston Relays, The Morton West Invitational, The Oak Park Relays, and the Suburban League Meet.

SOPHOMORE TRACK . . . The Sophomore cindermen had a very successful indoor track season. Although the year began with a narrow loss to New Trier, the boys bounced back to defeat Riverside-Brookfield, Schurz, and highly rated Proviso East. The Sophomore relay teams contributed to varsity points in the Morton East Relays. The four lap relay of Wayne McMillan, Bob Bzdyl, Bob Black, and Rich Markus paced the team. Jim Autowski and Bob Blake garnered points in the hurdles. Art Schuett proved to be the best sophomores shot putter in the state.

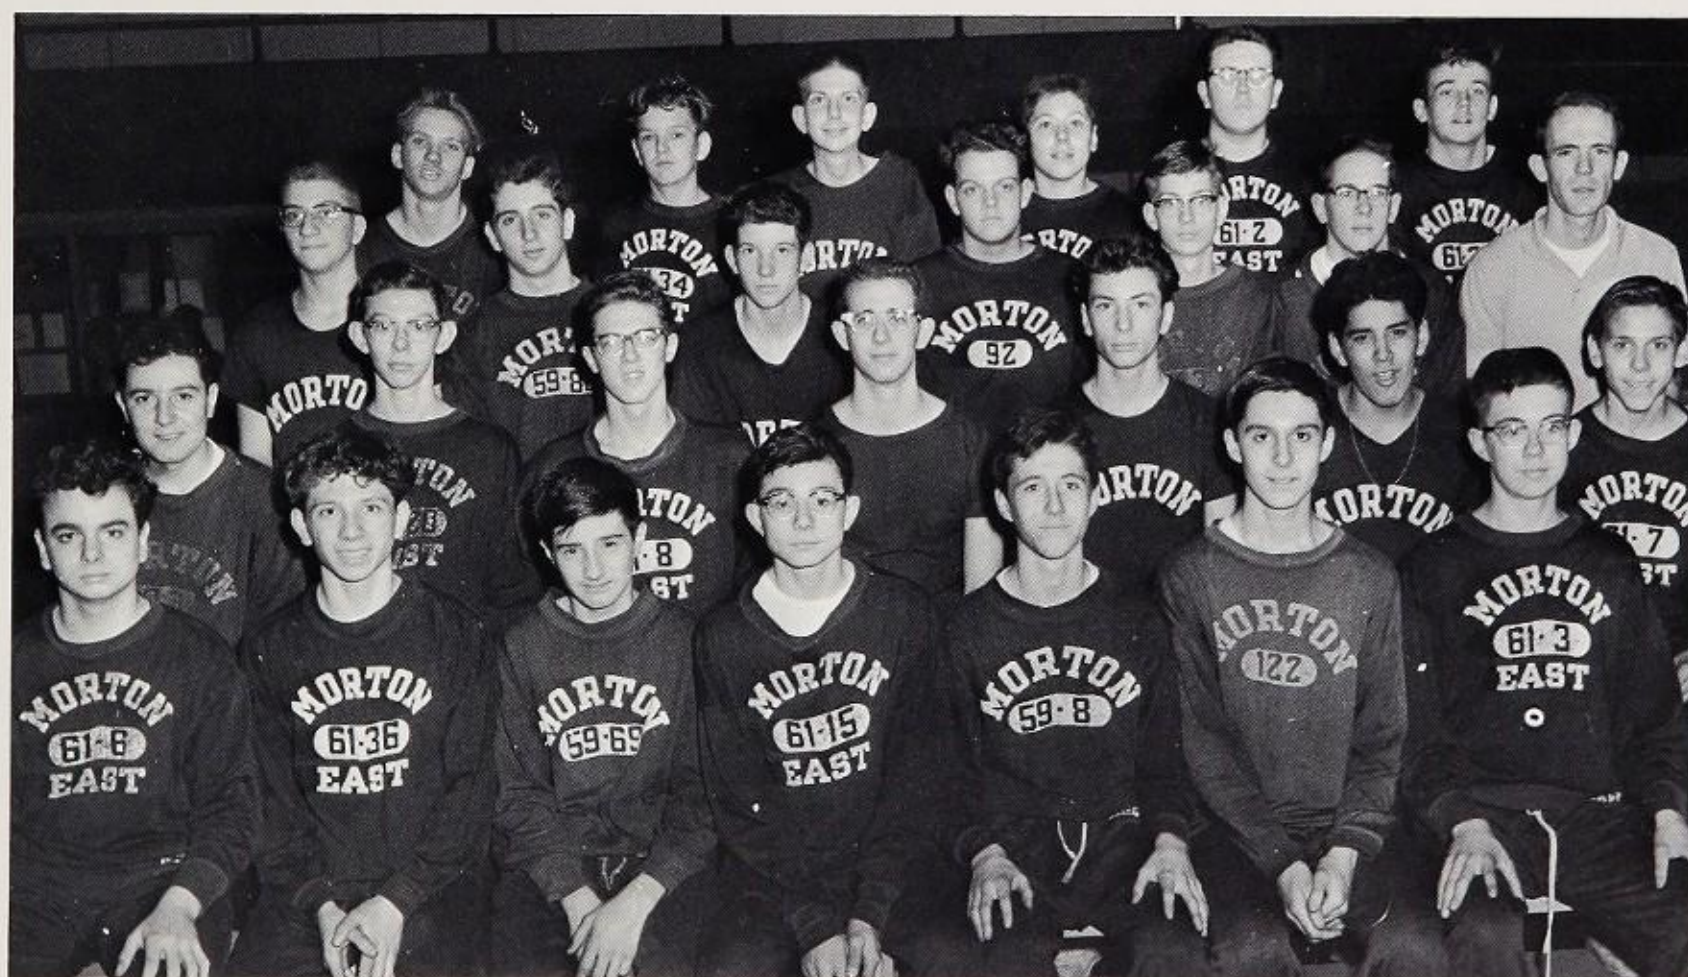

FRESHMAN TRACK . . . The Morton East freshman track team, although not powerful as a unit, produced several individuals who show the ability and desire to succeed in track and field. Working hard through the season, the boys placed fifth in the annual freshman invitational. Several of the boys ran as sophomores in some of the dual meets. Some of the boys who showed good ability and potential were Escutia, Lencioni, Higgins, Grauman, Kinsie, and Togni. These boys should help Morton's varsity teams in the future.

Tankmen Improve Performances

SOPHOMORE SWIMMING ... Although they had the excellent coaching of Coach Peterson, the soph swimmers, winning only four out of their seventeen meets, had an off season. They ended up in last place in the Suburban League, though it should also be mentioned that it is the toughest league in the state of Illinois for swimming competition. The fact that they won four, however, gives evidence that they can win, and that they will be a valuable addition to the varsity squad next year. Their main weaknesses lay in the areas of diving and long distance swimming. The team is looking forward to a highly prosperous season next year.

FROSH SWIMMING ... Better swimming records and higher league standing are in sight for future years because of the up and coming frosh squad. Although the squad was only able to pull in one victory this year, the combined points earned, turned out to be a tremendous advancement since last year. The one victory was taken from Oak Park High School. Coach Sandman said that this year's team showed a great improvement over last year's team. This year's team was composed of 20 swimmers. Due to the remodeling of Morton East's swimming area, the added congestion at Morton West does not afford every team the maximum practice time. This might explain the reason for the low victory record. Our own swimming pool should be completed for practice by next year.

VARSITY SWIMMING ... The Morton East Varsity swimming team underwent a major change this year by the replacement of Mr. H. L. Salberg by Mr. J. C. Jerkatis as varsity coach. This year Mr. Jerkatis introduced many modern exercises and advanced techniques to the Morton mermen in hopes of bringing the swimming squad up to a higher ranking position on the competitive level. This being the first year, however, these modern methods were not able to show their true worth. The boys put forth a strong united effort but they were by no means able to win a single meet. John Litos and George Rader were the captains of this year's team and they both turned out fine performances. Glen Baxa, Don Oostman, Rich Valente, Jim Baur, and Dave Wassel were among the boys who turned in more encouraging performances. The team, however, has very high hopes for the future. Every man on the team improved his time and style in such a way that he will be able to continue to improve his times. The team also looks to the lower classmen for the needed extra effort in future years. Seniors who will be leaving this year are G. Homicz, J. Baur, W. Hempel, J. Litos, R. Valente, and G. Rader. These losses will be highly detrimental to the varsity squad but the team is confident that these lower classmen will put forth the effort needed to become fine varsity swimmers.

Mustang Grapplers Improve

TOP ROW — Mr. C. J. Rasmussen, W. Heyden, B. Miller, J. Szot, A. Hudek, B. Liska, M. Hrabek, B. Kiefer, P. Rocush, D. Milas; **2nd ROW** — L. Sciarra, J. Harast, D. Jankovich, J. Bokr, M. Fencel, T. Palleva, J. Robin, R.

Mitton, L. Loucks, M. Kokoszka; **BOTTOM ROW** — B. Pons, T. Zmrhal, P. Deprosperis, D. Pivonka, T. Kazmierczak, J. Patun, D. Howe, R. Mann, J. Solar.

VARSITY WRESTLING ... Under the guidance of Coach Rasmussen, the Morton varsity grapplers struggled for a hard earned fifth place in the tough Suburban League circuit. The overall team record was three wins, three losses, and one tie. Although the record only seems average, it must be taken into consideration that the Suburban League is one of the toughest conferences in the state. This can be proven by the fact that Waukegan, one of Morton's many tough opponents, took the state title of Illinois.

Morton's main problem was lack of experienced varsity wrestlers. Many of Morton's first string wrestlers were novices to the varsity ranks. Morton was also hit hard with injuries this year having many top grapplers out of action.

Voted by the squad as this year's captain was Lou Sciarra. Lou had a fantastic record of no defeats in the Suburban League this past year. Lou also represented Morton in competition downstate.

Another valuable asset to this year's team was the return of Rick Mann. Rick also made a fine showing in the Regional tournament and represented Morton downstate.

Other returns to this year's squad were Tom Kazmierczak and Dennis Pivonka. Both Tom and Dennis greatly aided this year's team.

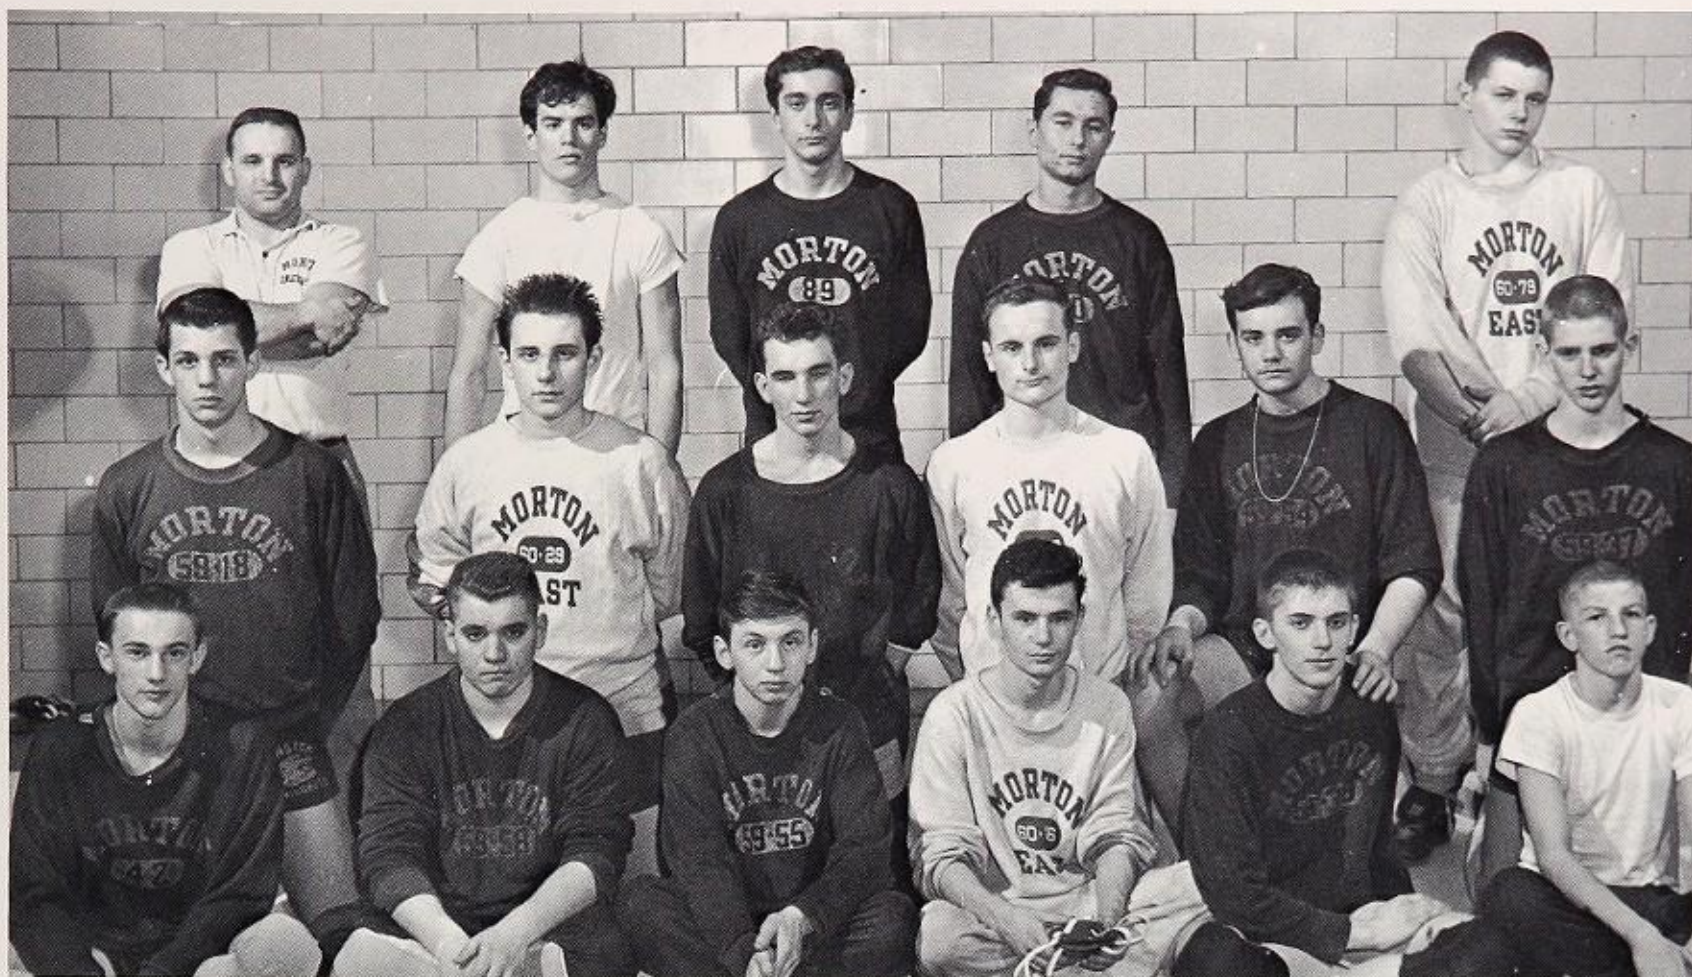

Many inexperienced juniors also helped the team's record. Bruce Pons had a fine season record and also gained valuable points for Morton in Regional competition.

Two other successful junior matmen were Joe Bokr and Bill Heydin. Heydin was usually noted for gaining points when the grapplers needed points most.

Tony Hudek and Pete DeProsperis also had successful seasons.

SOPHOMORE WRESTLING ... With the superior wrestling knowledge of Coach Serbik guiding them, the soph grapplers turned in a fine record this season, ending up fourth in the Suburban League. The team appeared to be doing fine until a crushing blow from Waukegan dampened their spirits. The loss did not stop them, however, and they went on to take their fourth place in the league with ten wins and five losses. They lost a heartbreaker to Hinsdale, 26-22, and then finished the season off with a 26-16 win against Proviso East. Outstanding performances were displayed by the team captain, Rich Popovich, and also Al Baluk, and Bill Hogan. The team is looking forward to another successful wrestling season next year.

FRESHMAN WRESTLING ... Guided by Coach K. Ragnetti, the frosh grapplers enjoyed an extremely fine season this year, winning eight out of their thirteen dual meets. Three of their five losses were lost by two or less points, the other two being their only "real" losses, according to Coach Ragnetti. Later in the season the team took a quadrangular meet from Hinsdale, East Leyden, and Downers Grove, securing the final decision by only three points. The freshman team also lost to Waukegan, 36-8, but managed to fight their way to third place in the Suburban League. The team turned out a few very promising wrestlers, the best of these including Rich Turek, 12-2, Randy Zmrhal, 11-3, and Bob Mantouka, 14-1.

Editor's Note

A year is the time the earth takes to make one complete revolution around the sun. To be precise there are four seasons or exactly three hundred sixty-five days five hours forty-six minutes and forty-five seconds in a year. Of this time five sixths is spent at school, academically and at various activities. Since our school activities are usually broken down into seasons, what better way is there of creating a yearbook than by Seasons? By changing the style of previous yearbooks, we hope to bring to the faculty and students a book they can cherish for years to come.

As the book unfolds, the first section recalls spring, 1962. Here are seen the prom and graduation among the many activities of last spring. Also here are seen the trials and tribulations of the incoming freshmen, who are trying to accustom themselves to the hustle and bustle of high school life.

Next comes fall in which the students have accepted the idea of getting down to school work. It is also a time for football games and homecoming among many of the social activities during this time.

Finally winter comes and brings the excitement of Christmas activities and basketball tournament to all. The Seniors realize that this last year will end their four happy and educating years at Morton.

Credit for this yearbook cannot be given to any one individual for this was a team effort. First of all we sincerely acknowledge the efforts of the advisor of the MORTONIAN ANNUAL, Mr. R. J. Tudor, who so capably guided the staff through the trying weeks and months in completing this book. To all the staff, because of hard work and unselfish giving of their time, a good deal of appreciation should be bestowed. To the superintendent and the principal and all the faculty, we extend our sincere thanks for their cooperation and assistance. To you who availed yourself a copy of this MORTONIAN, we hope only that in thumbing through its pages you will never forget us and J. Sterling Morton High.
